

Who Can See Who?

Question Group 1

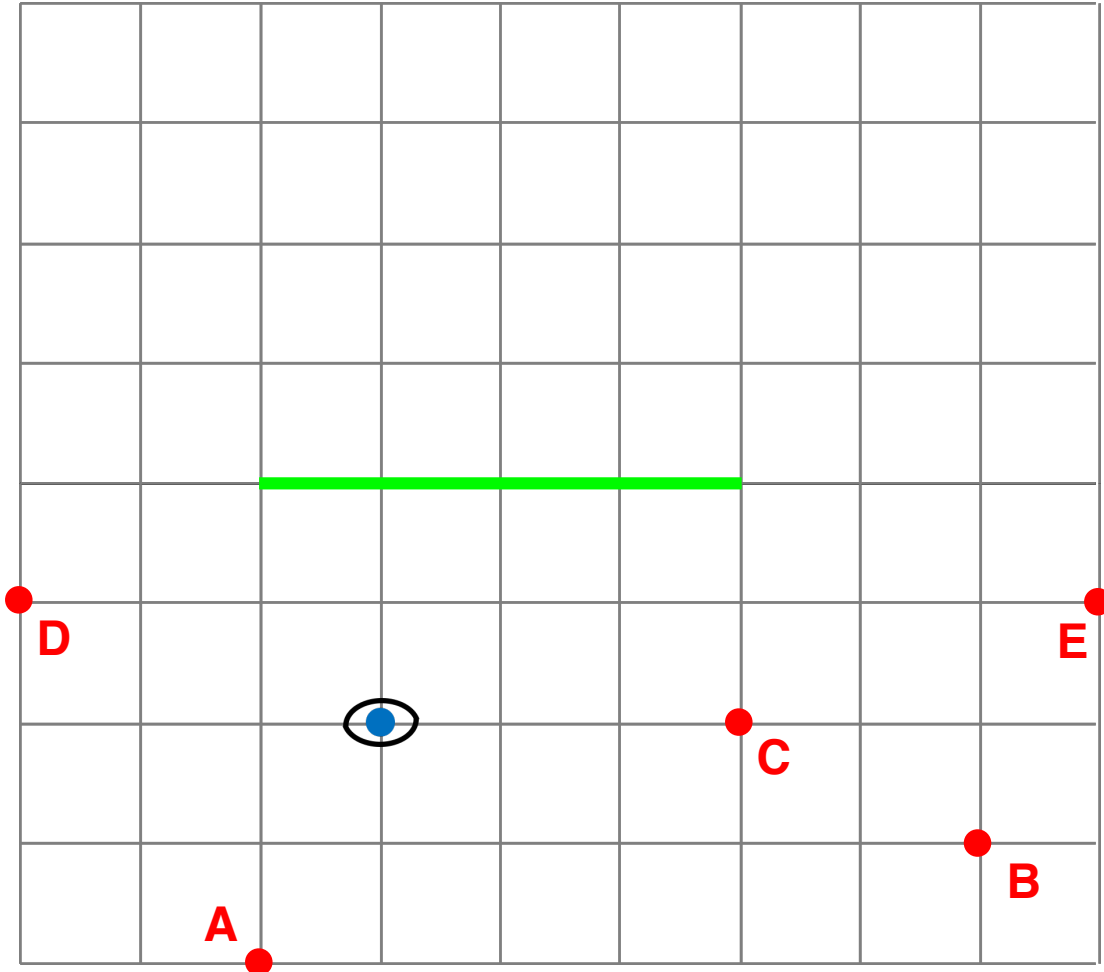

Question 1

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

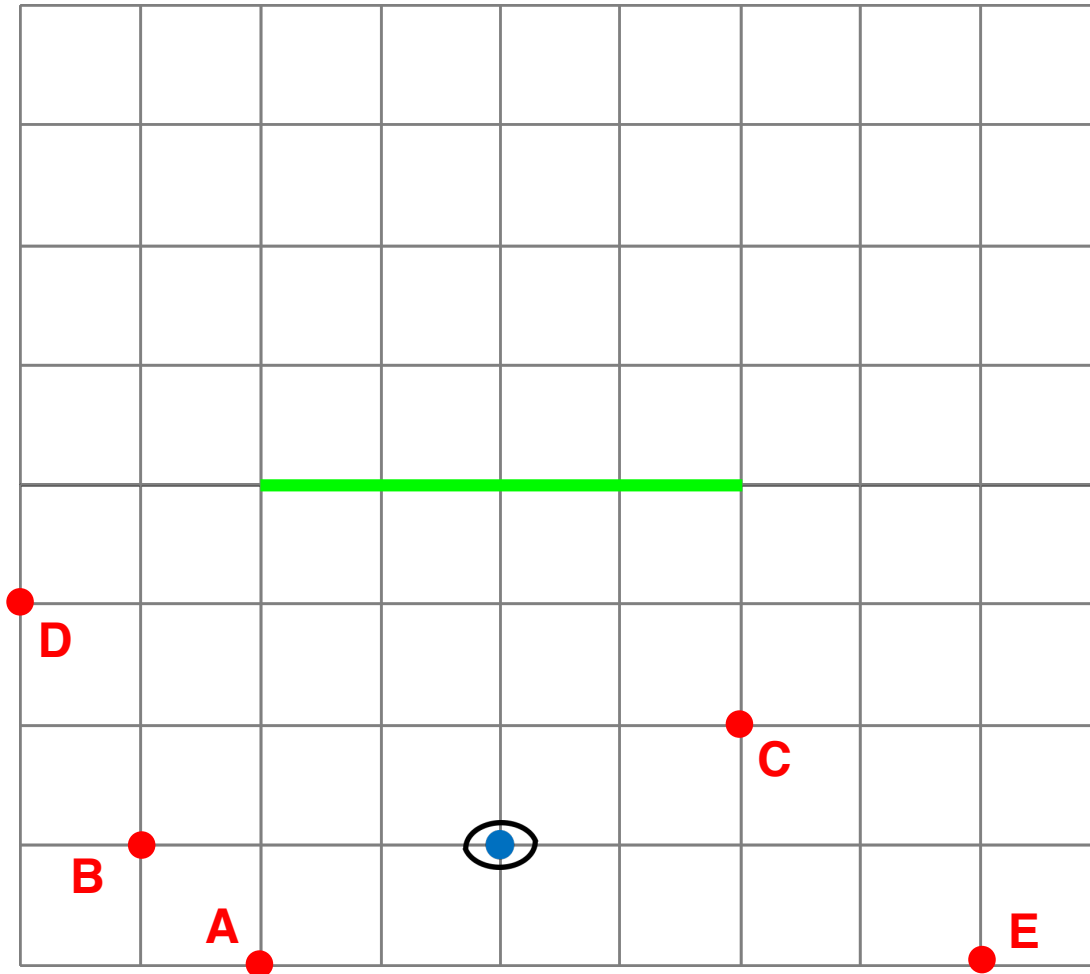

Question 2

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 3

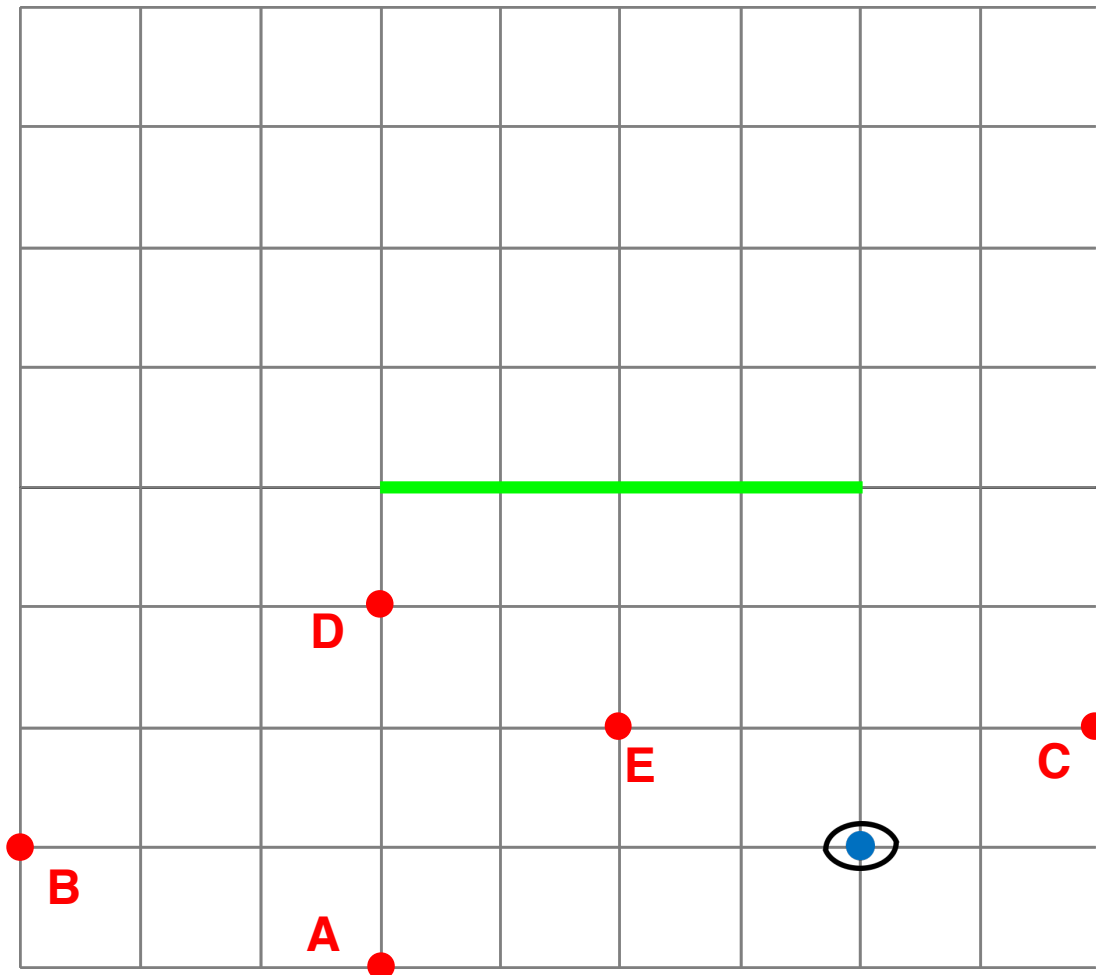

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 2

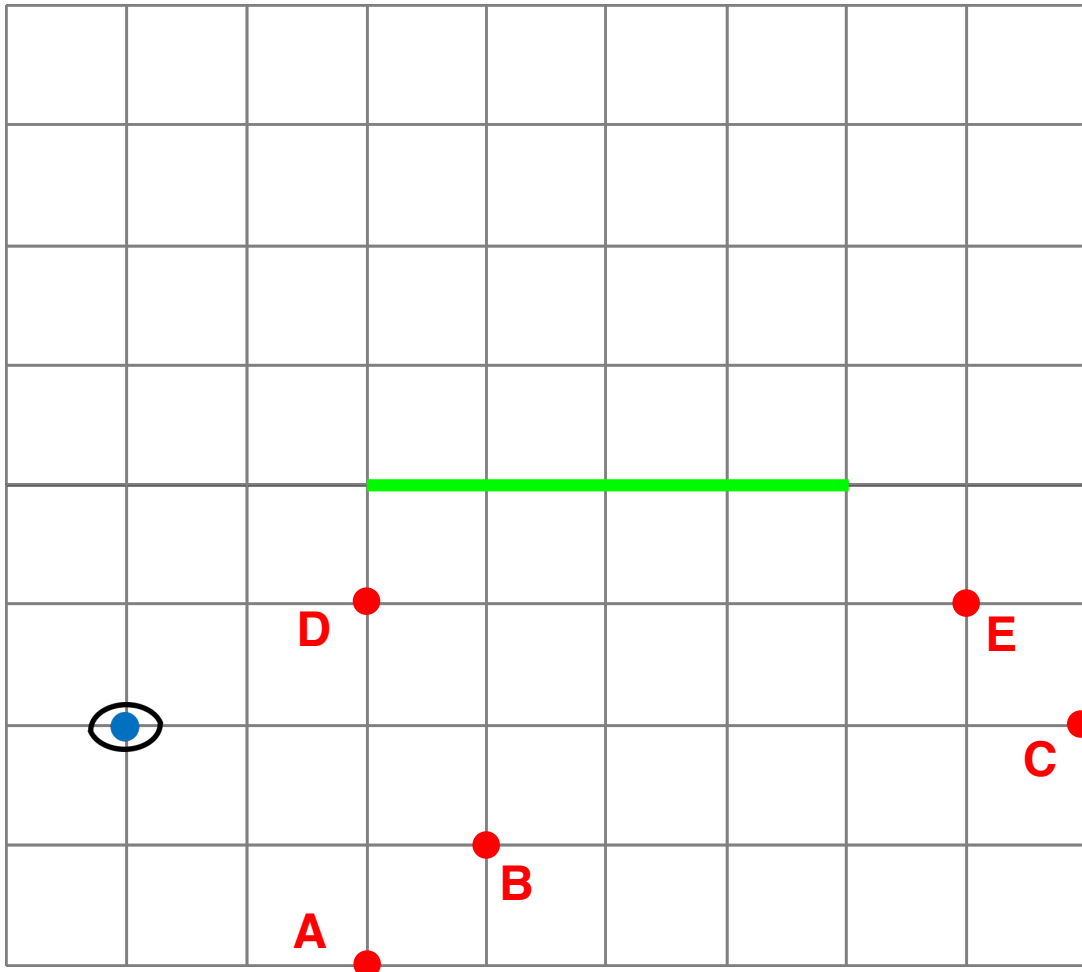

Question 4

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

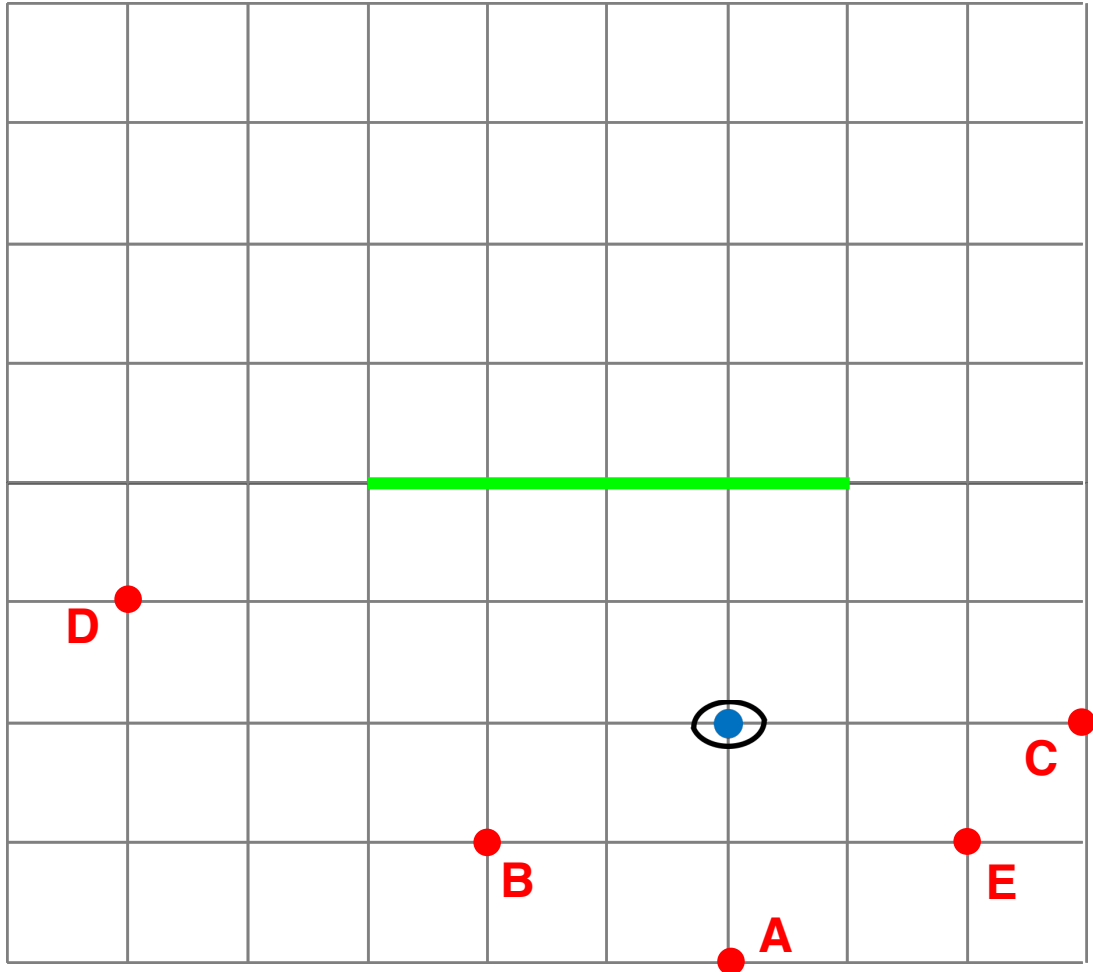

Question 5

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 6

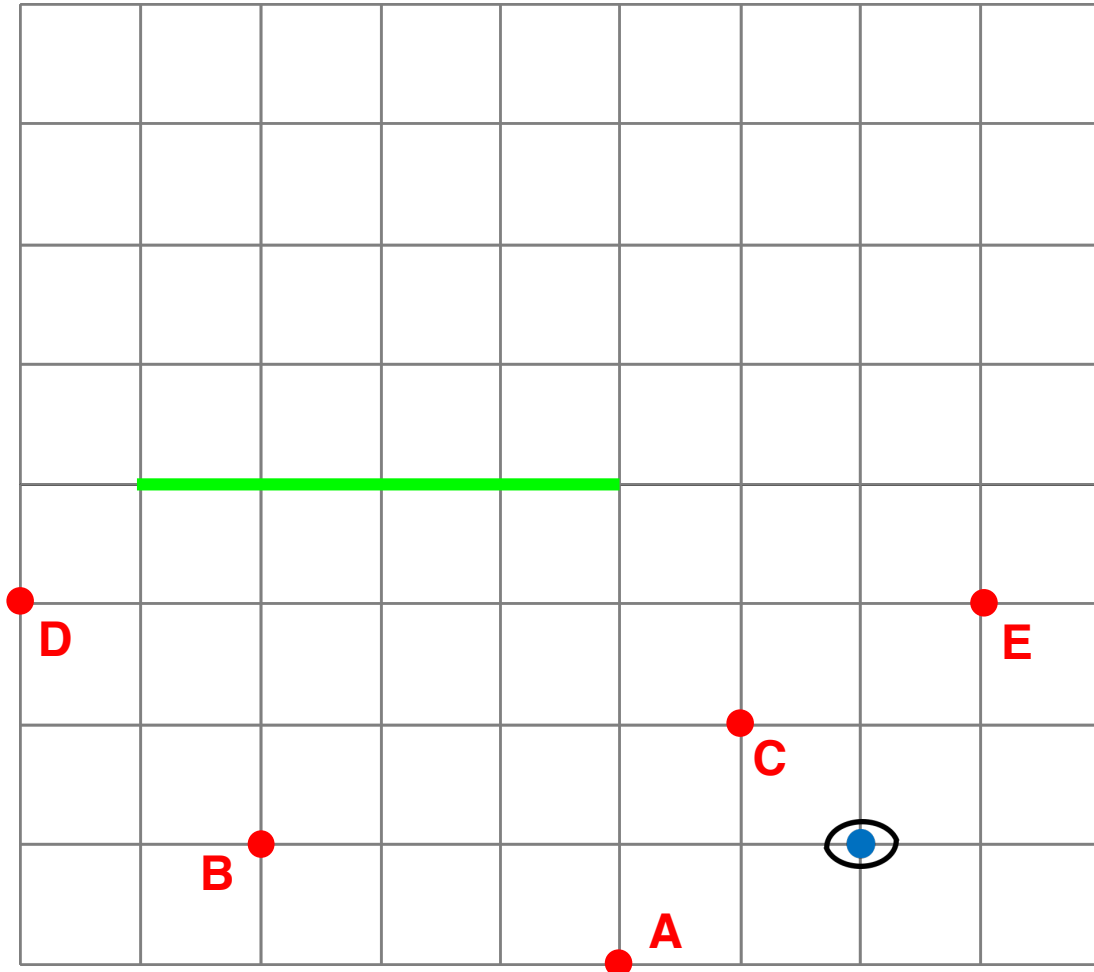

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 3

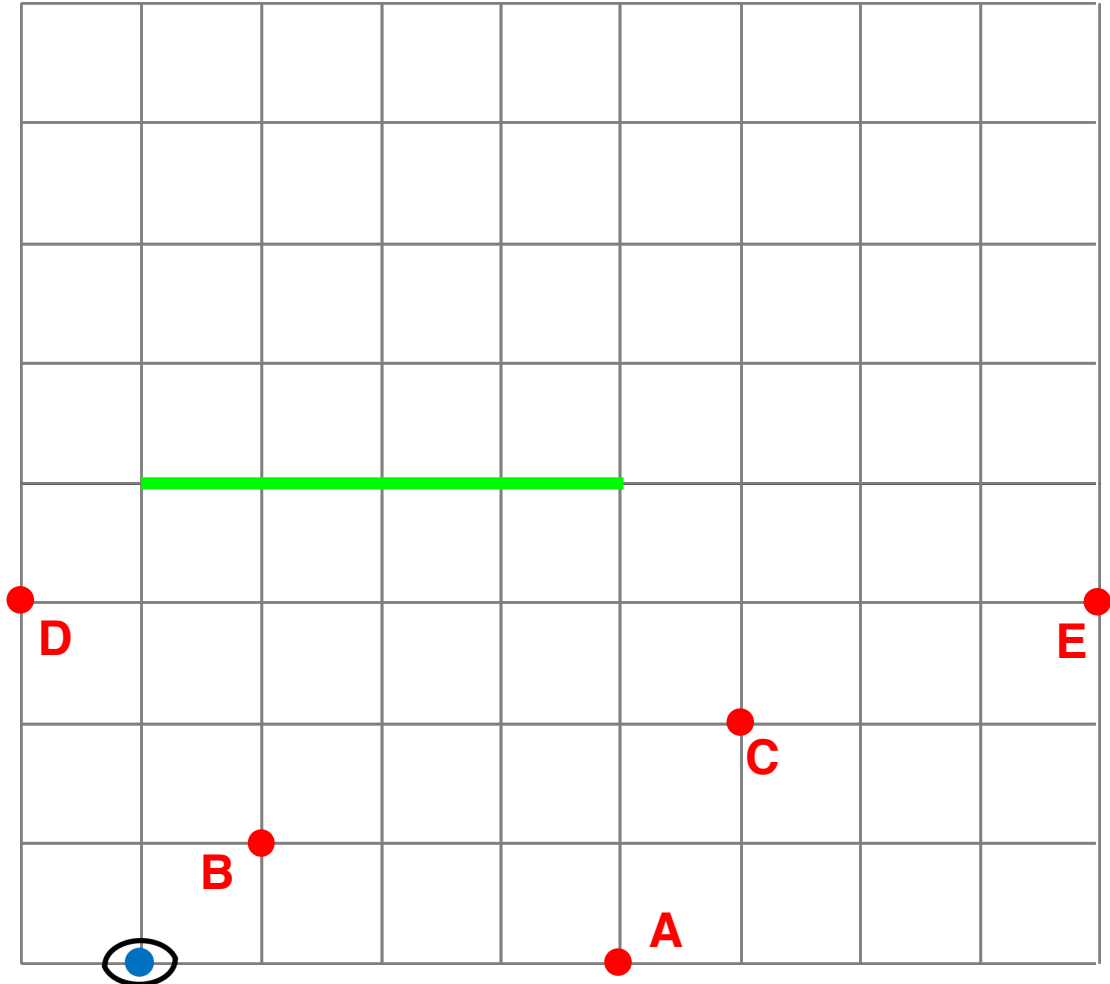

Question 7

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

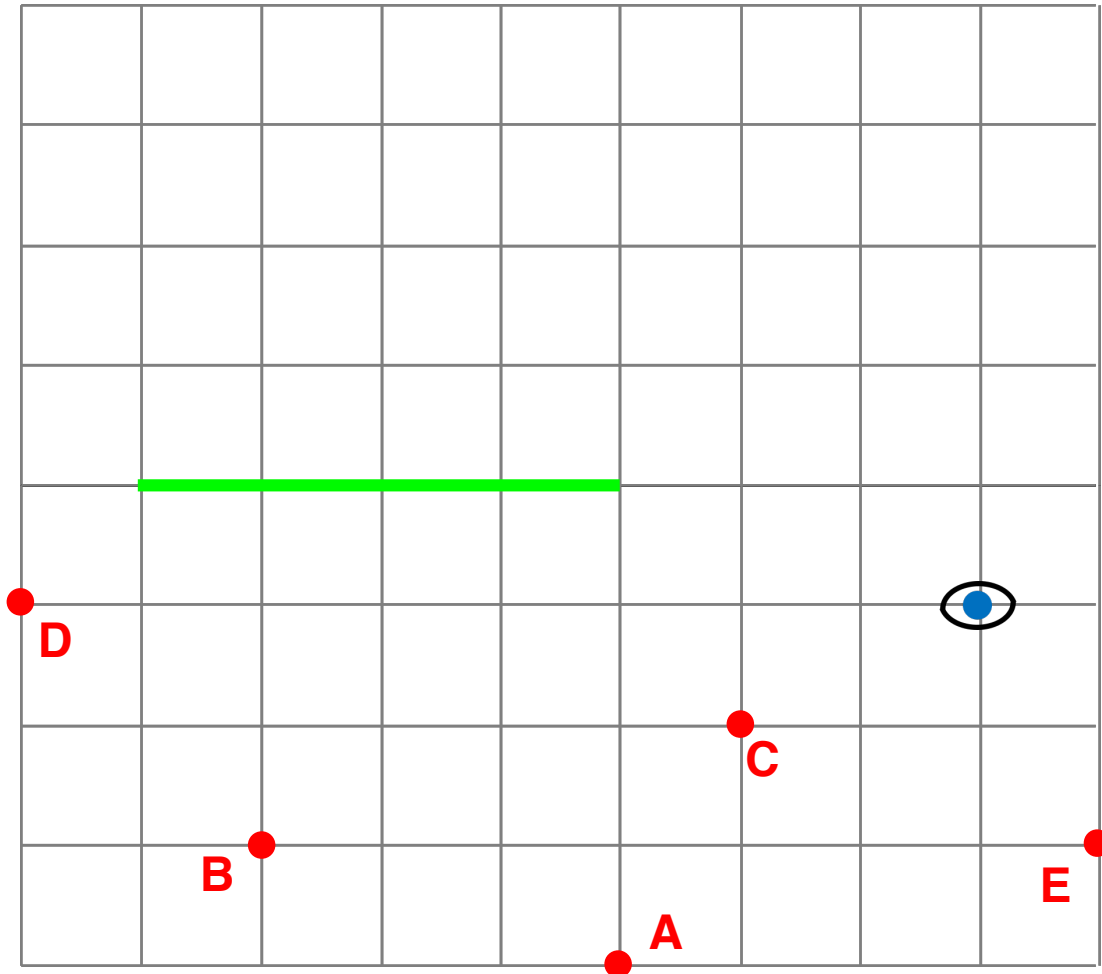

Question 8

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 9

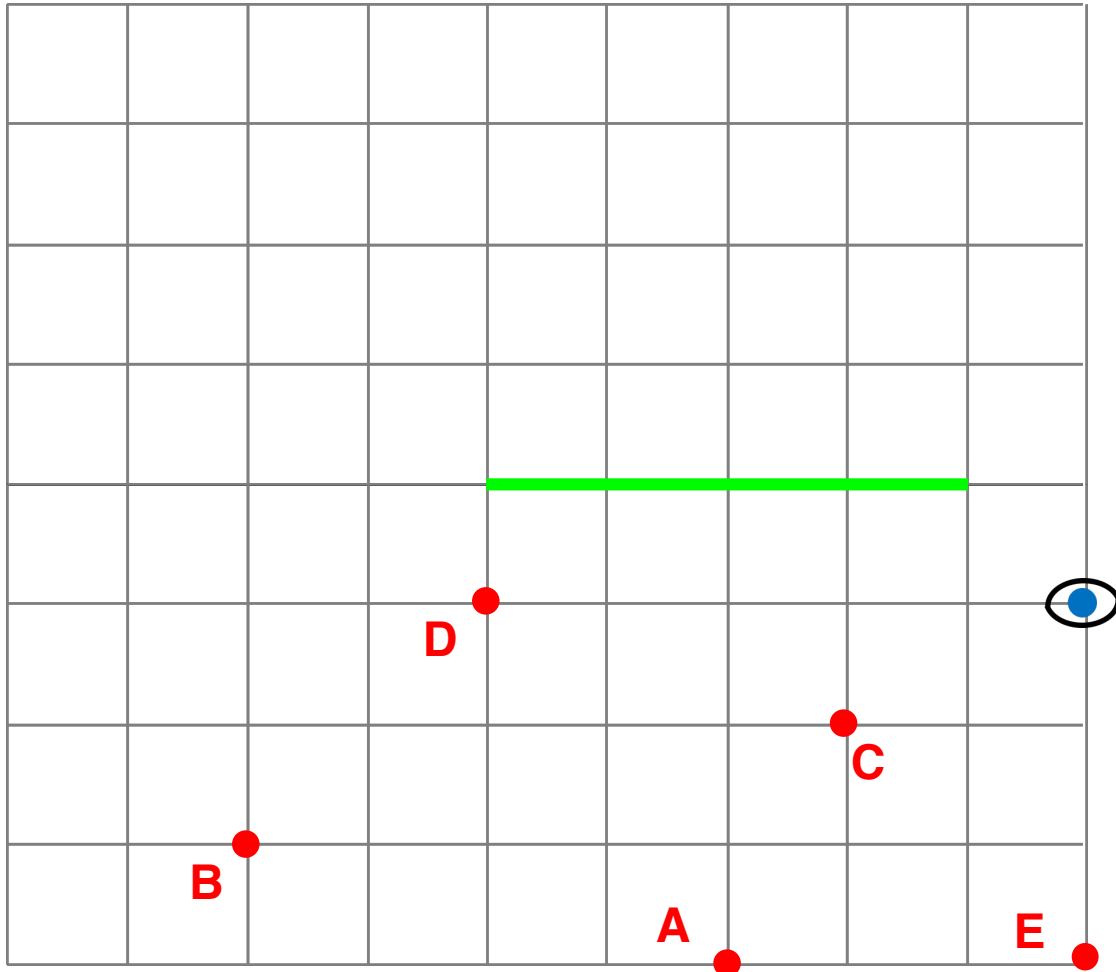

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 4

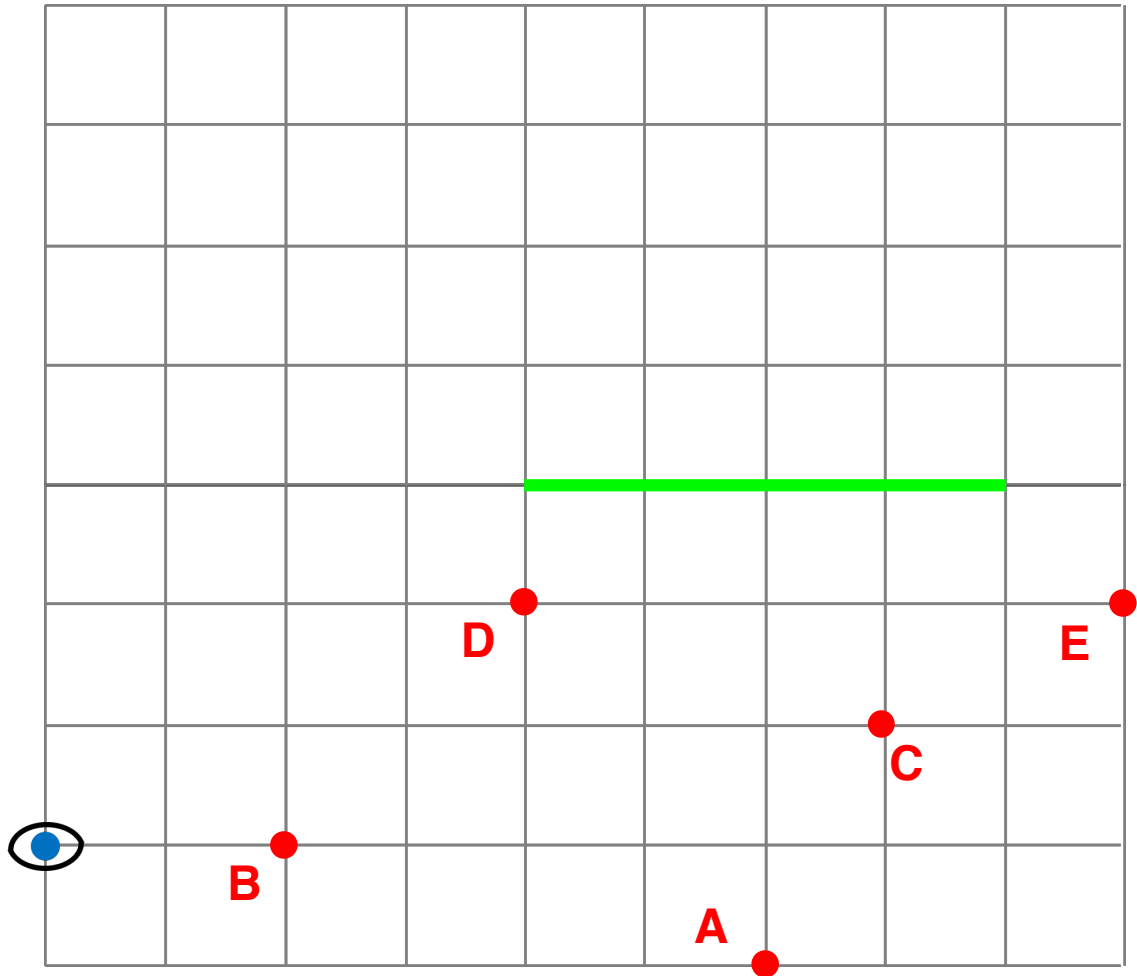

Question 10

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

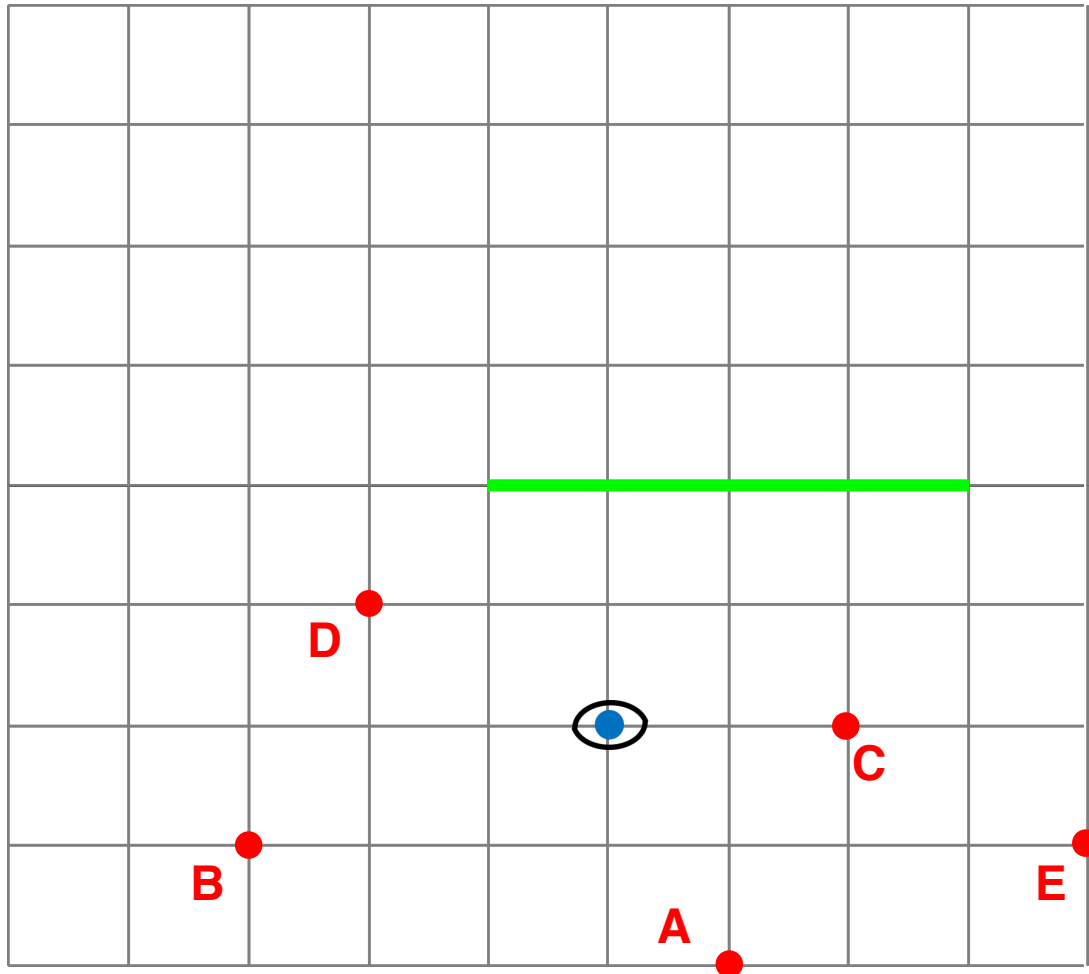

Question 11

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 12

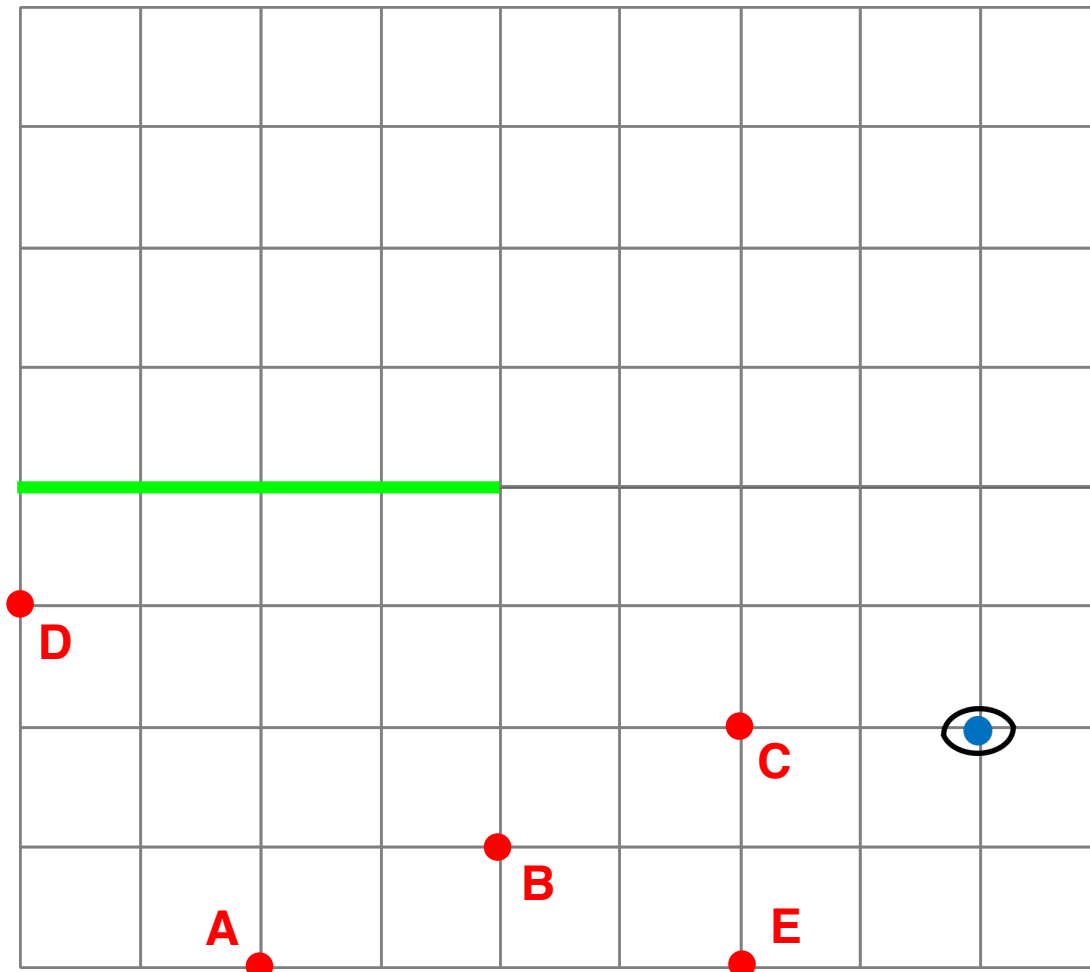

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 5

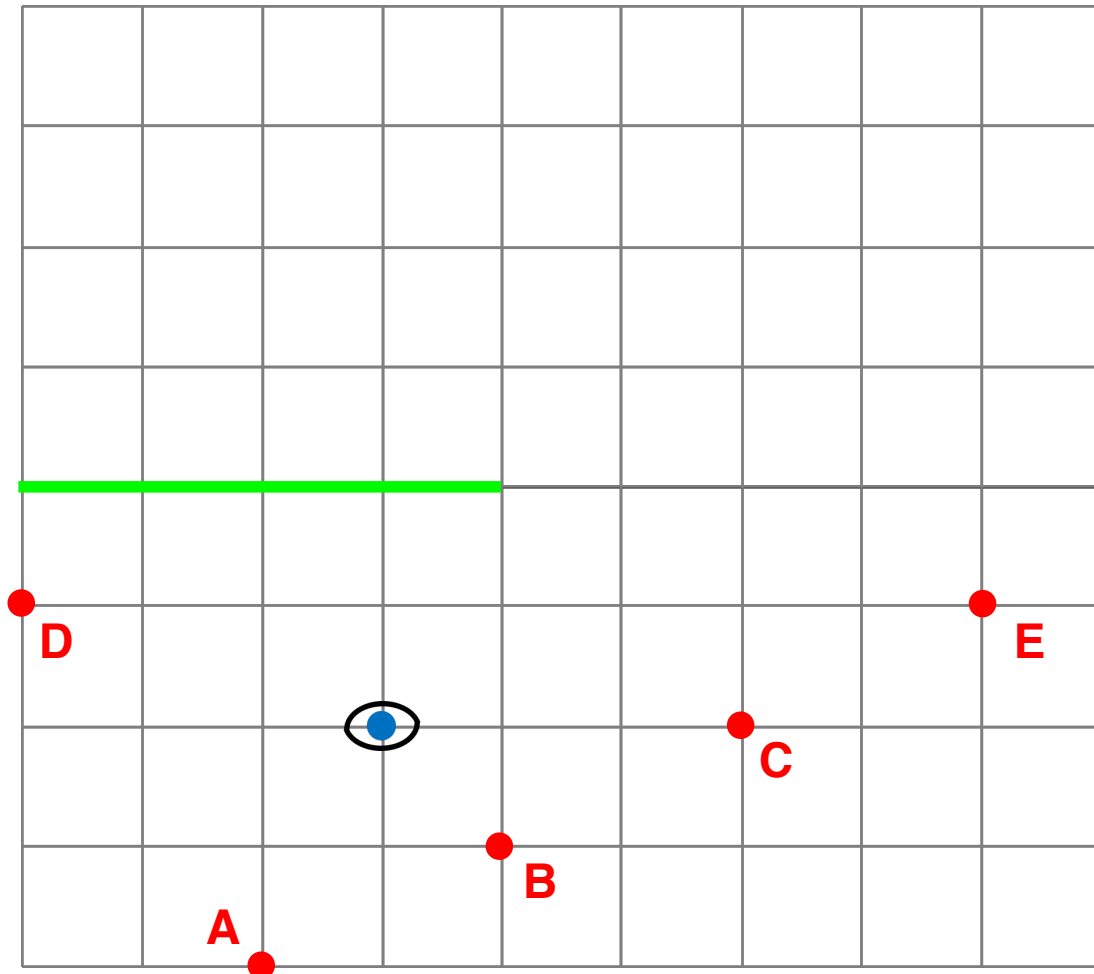

Question 13

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

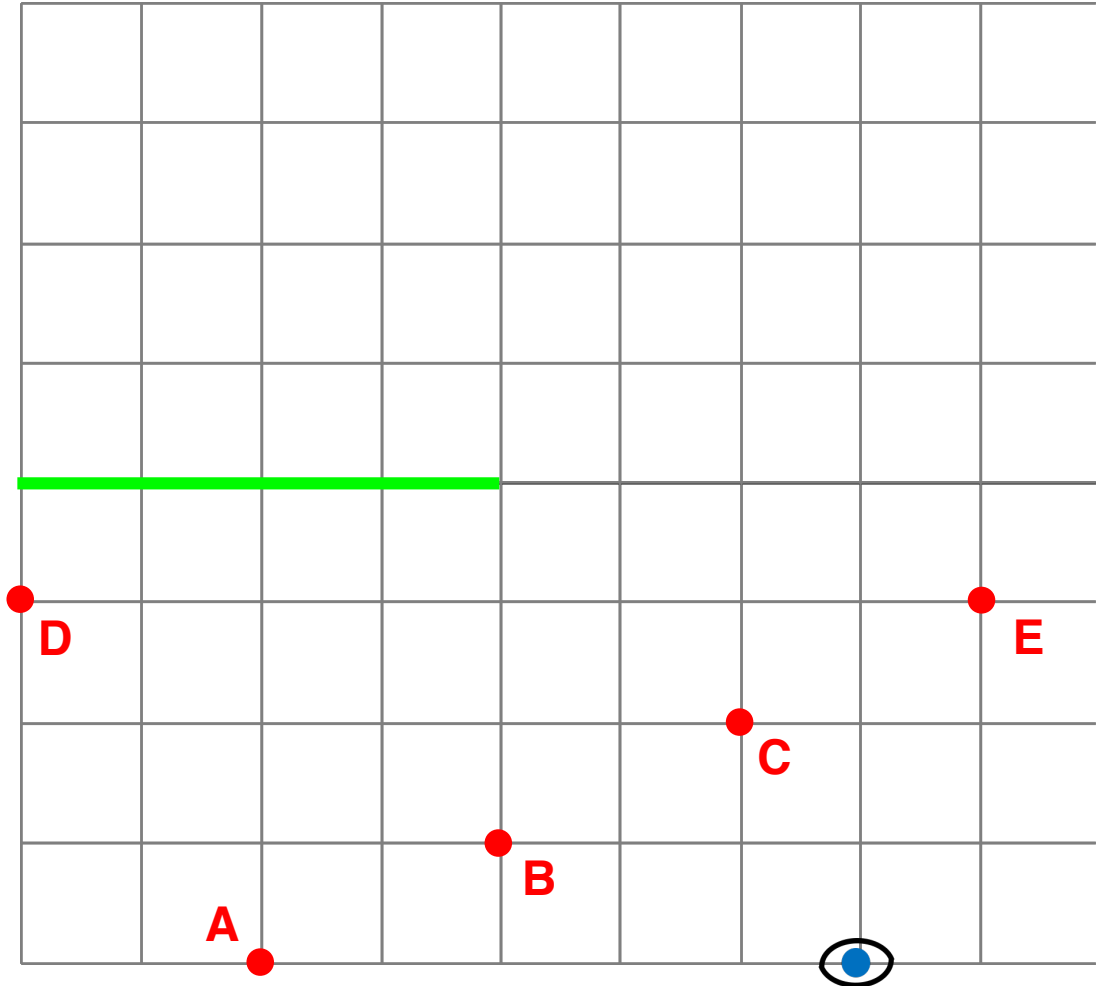

Question 14

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 15

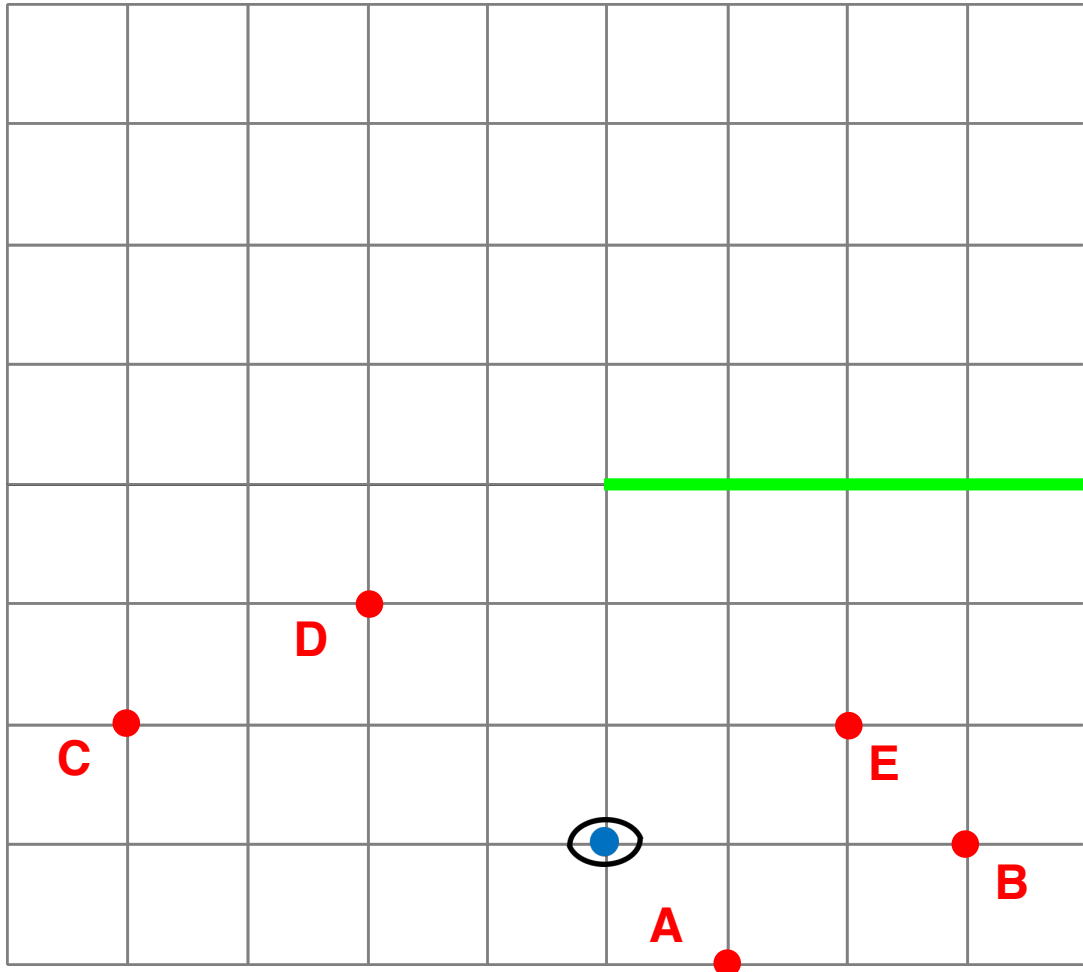

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 6

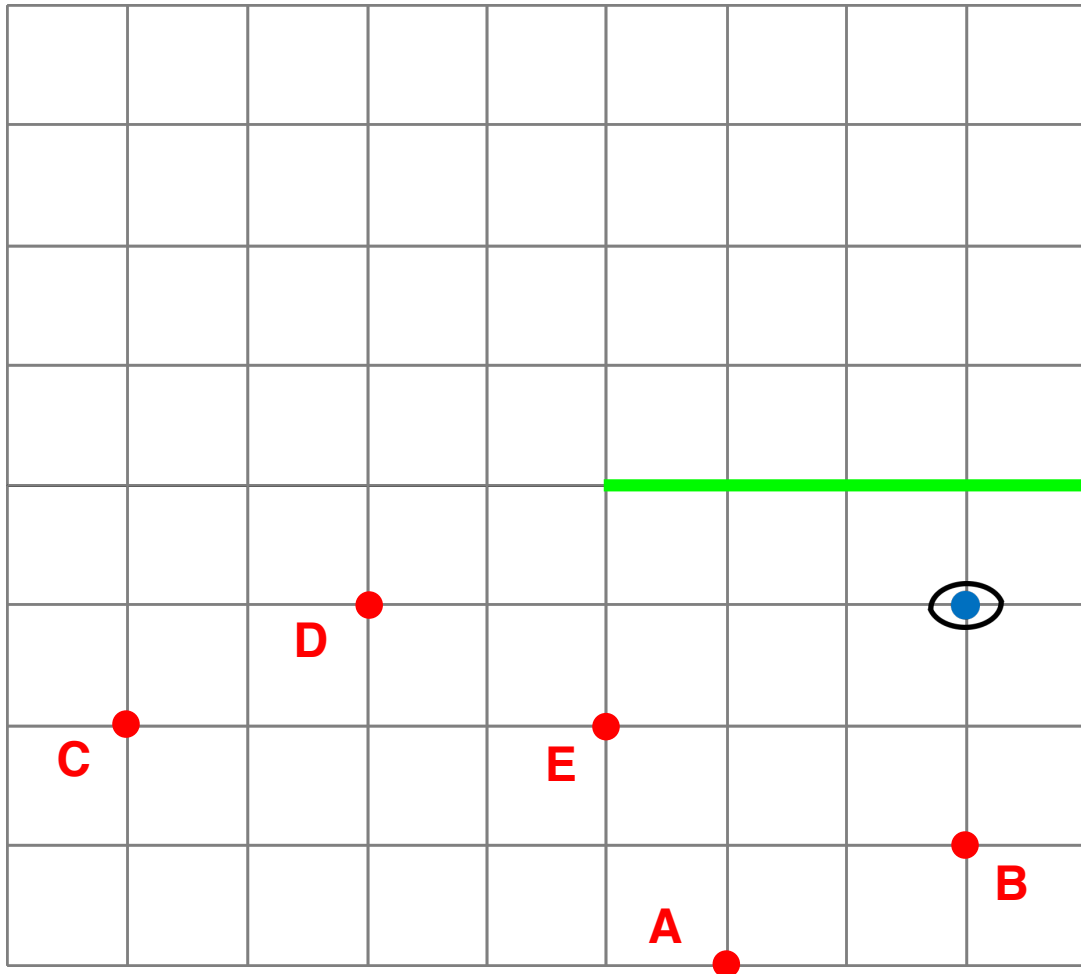

Question 16

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

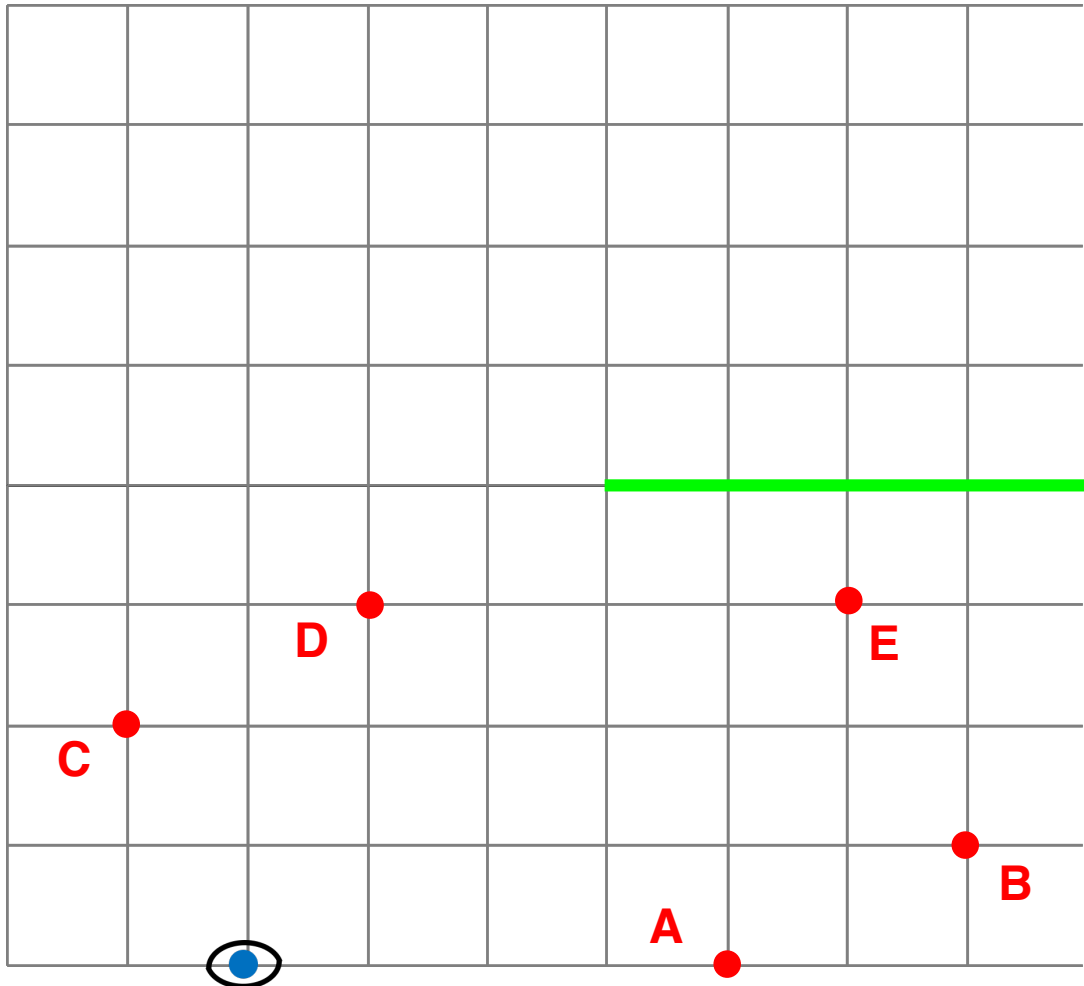

Question 17

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 18

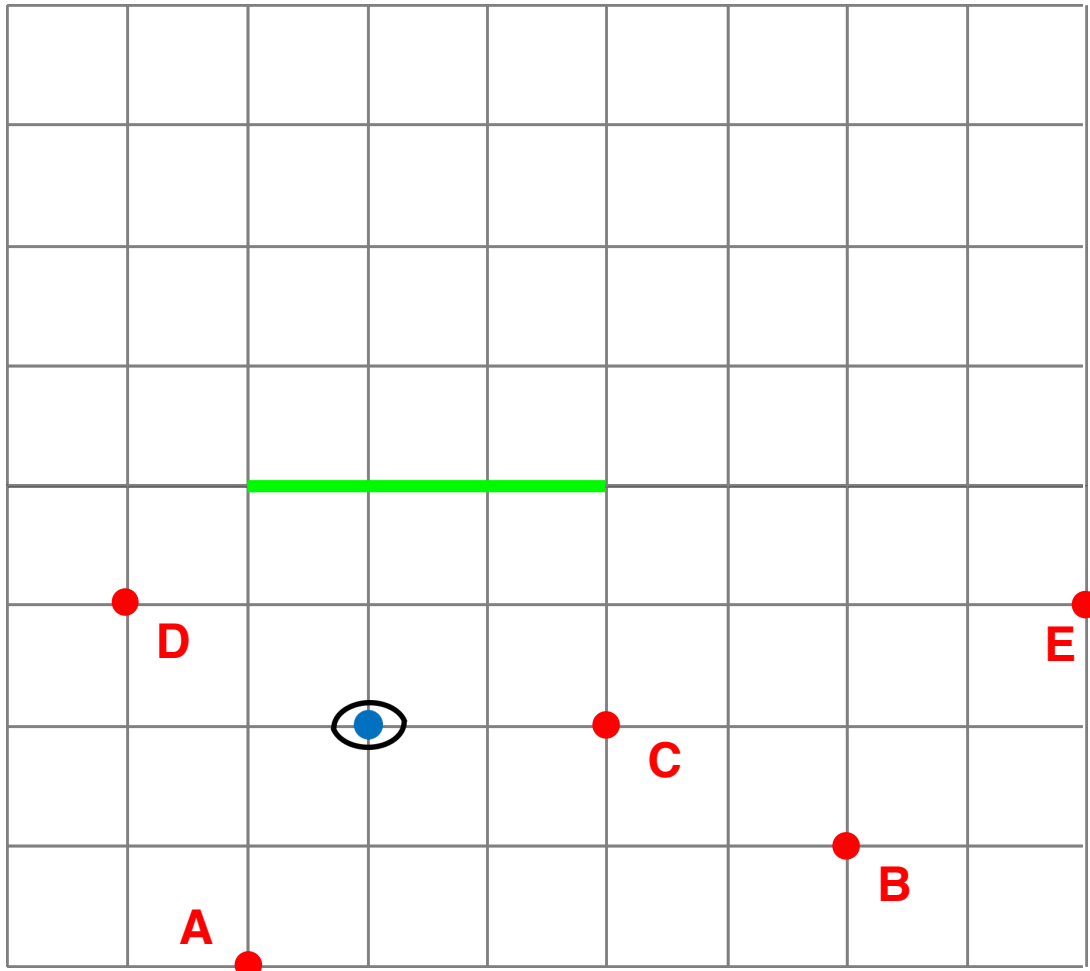

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 7

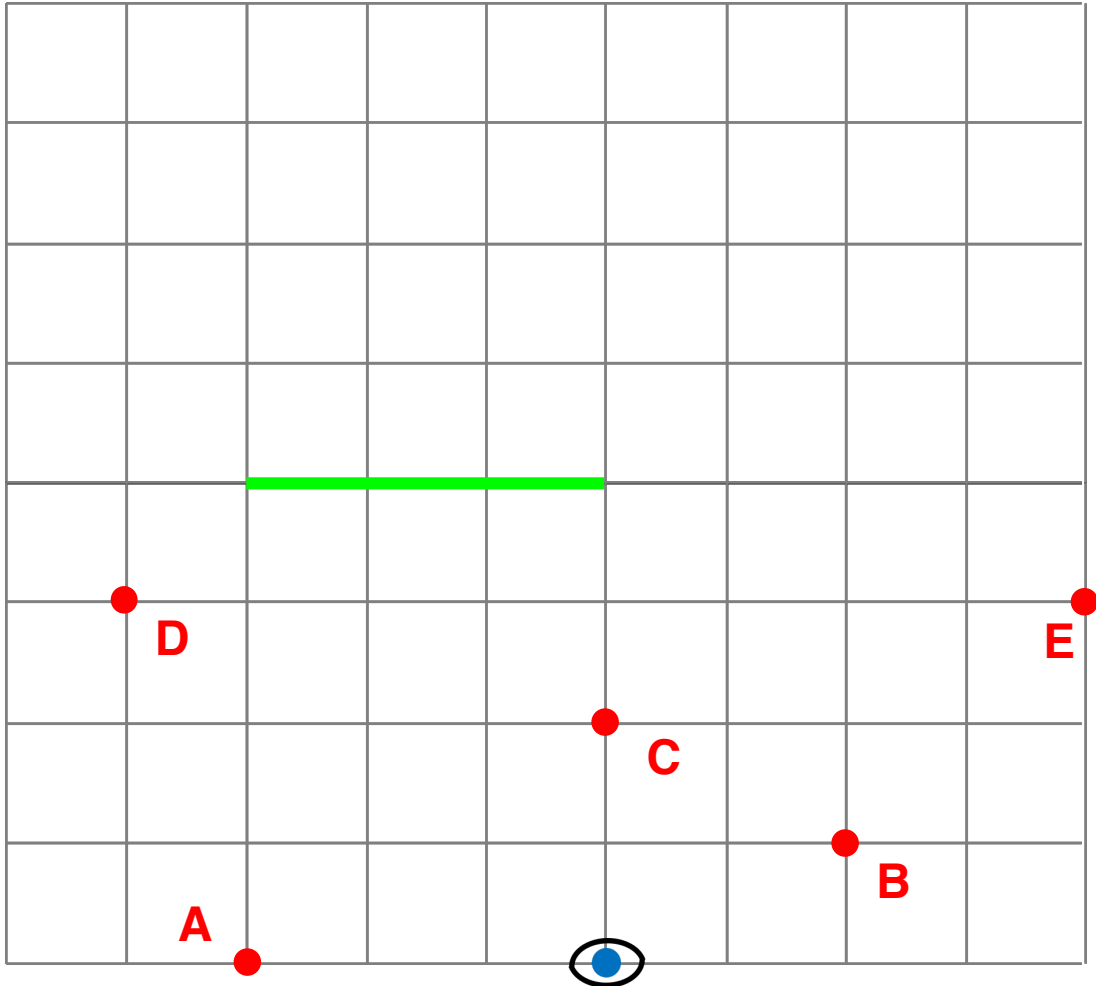

Question 19

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

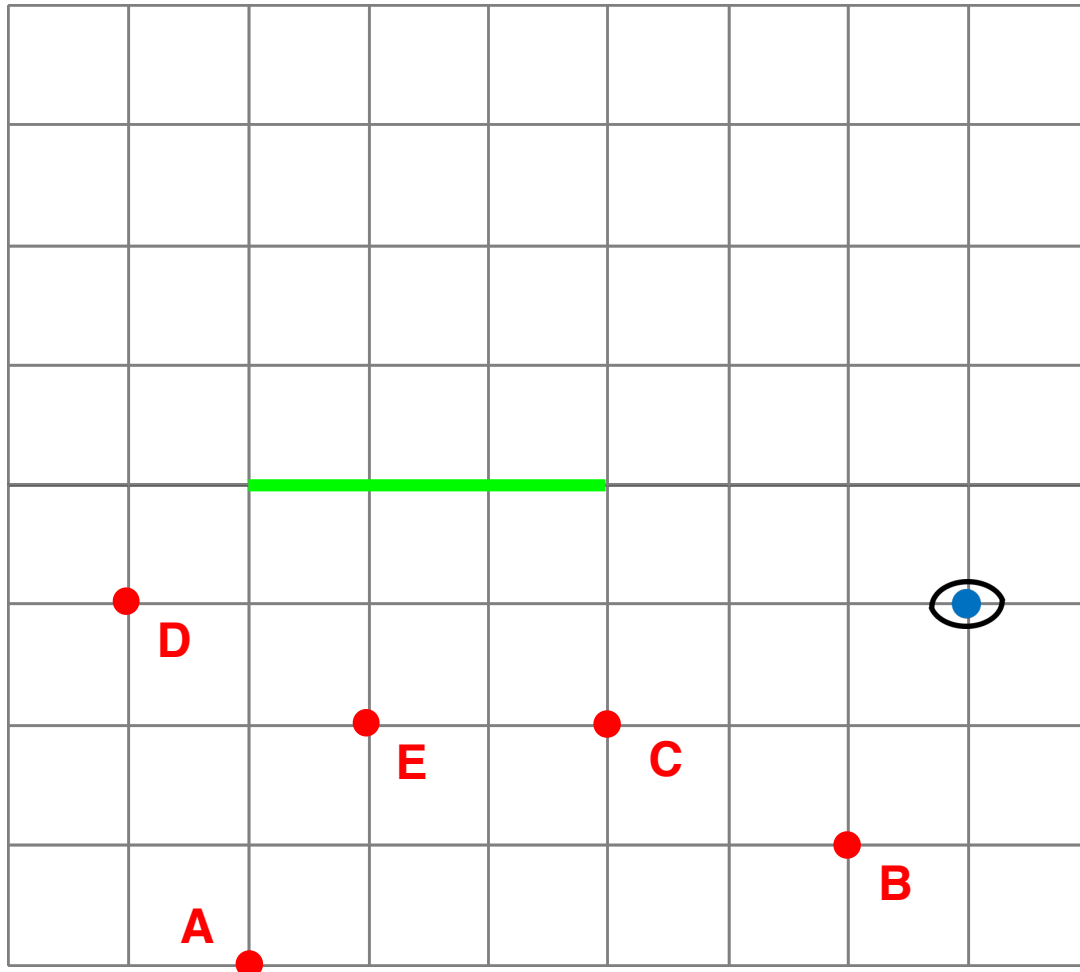

Question 20

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 21

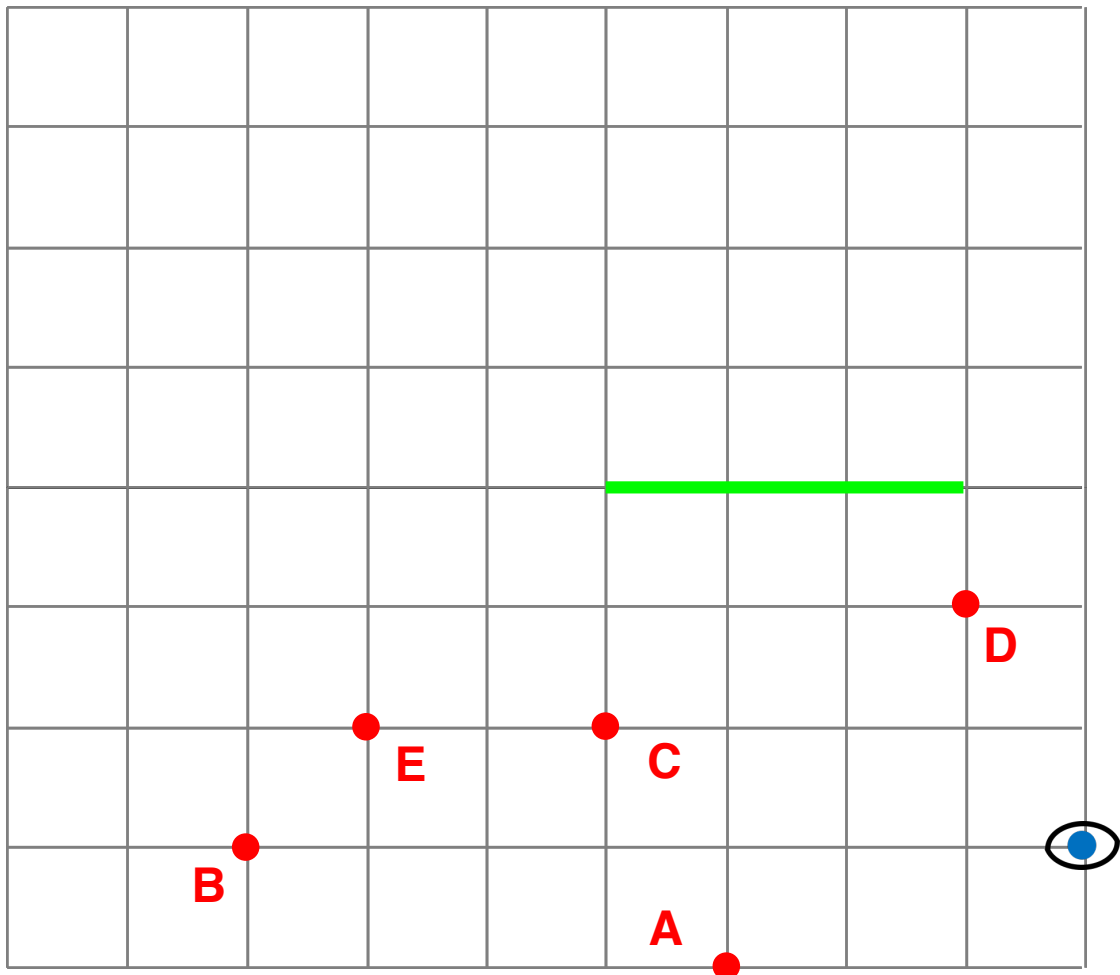

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 8

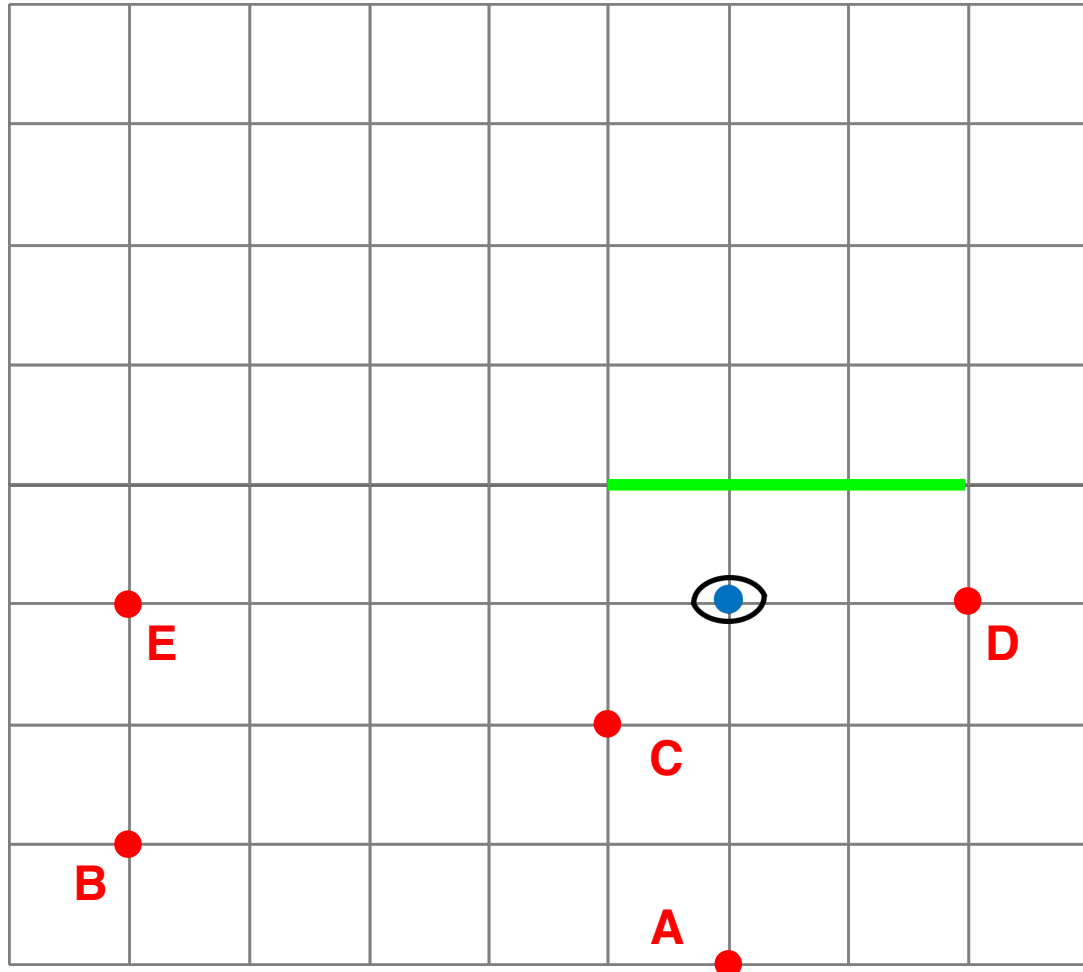

Question 22

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

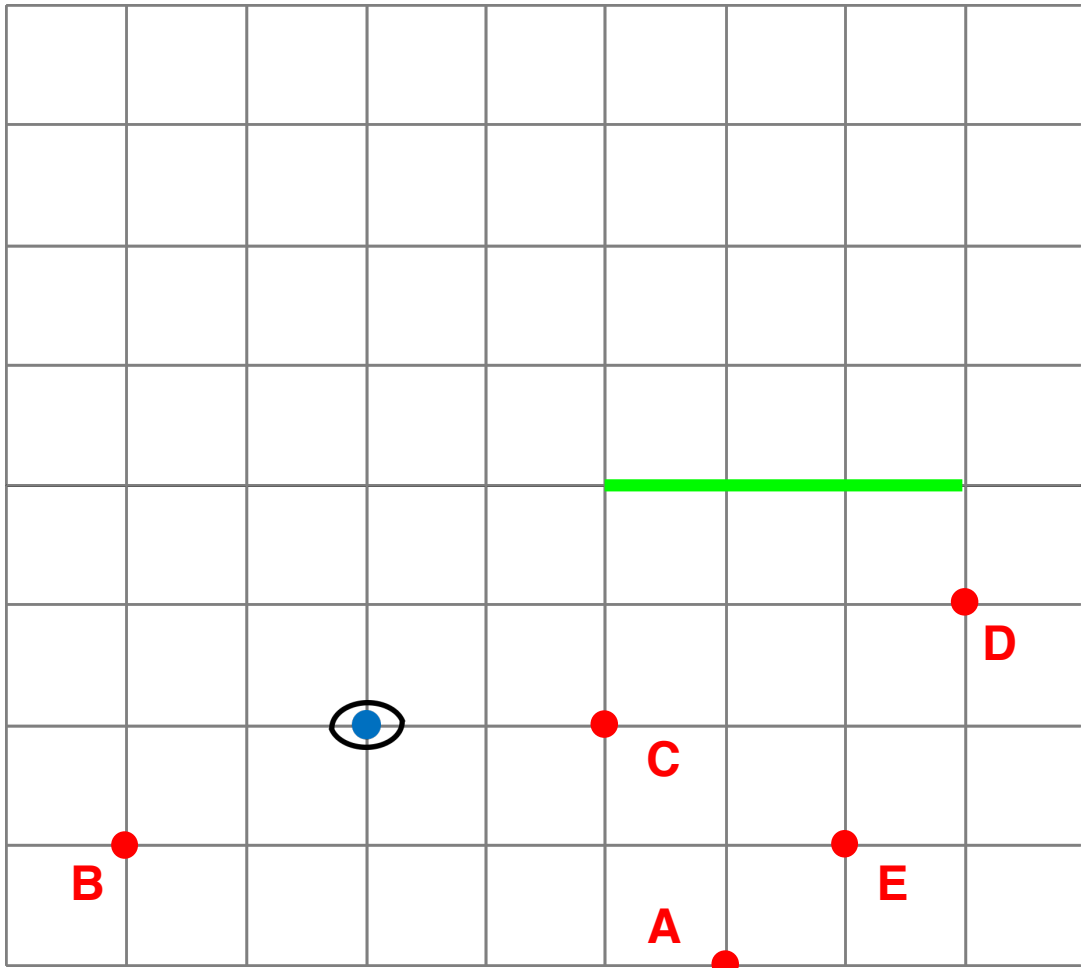

Question 23

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 24

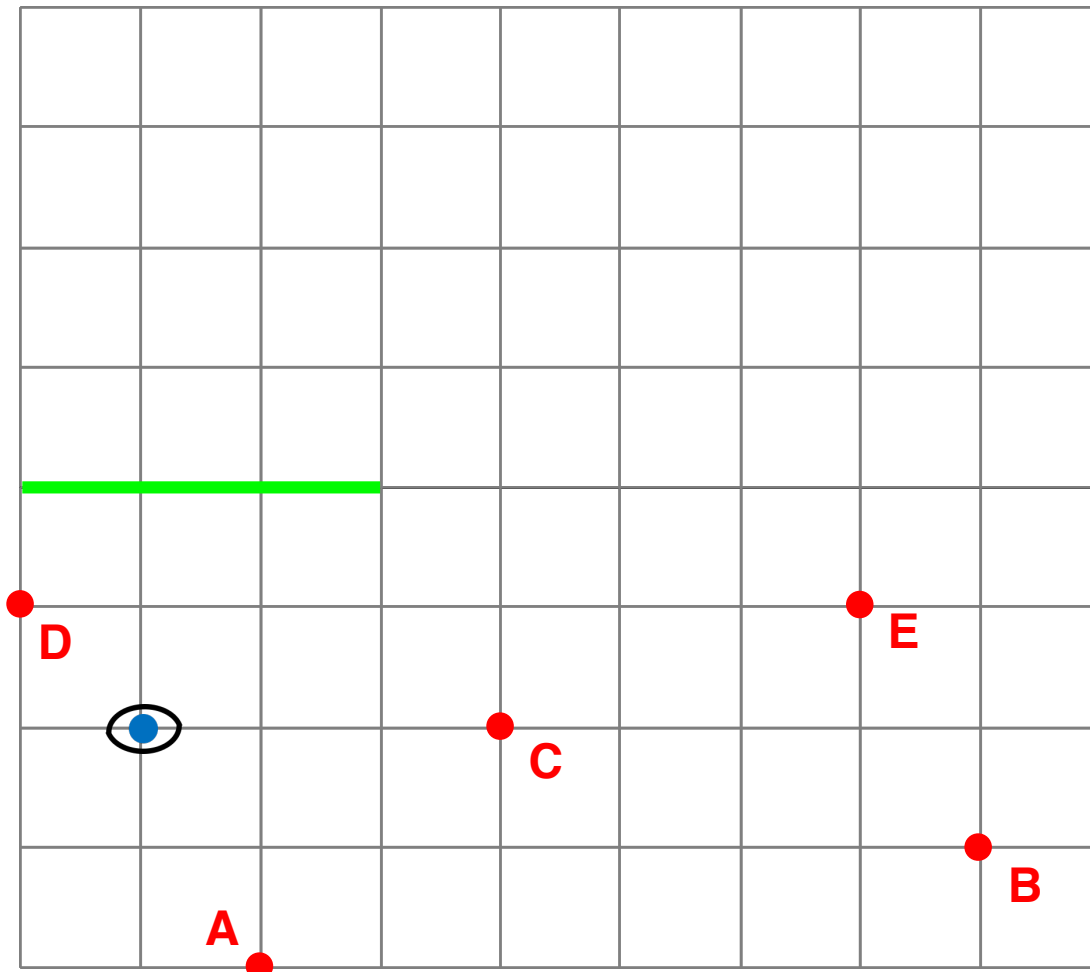

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 9

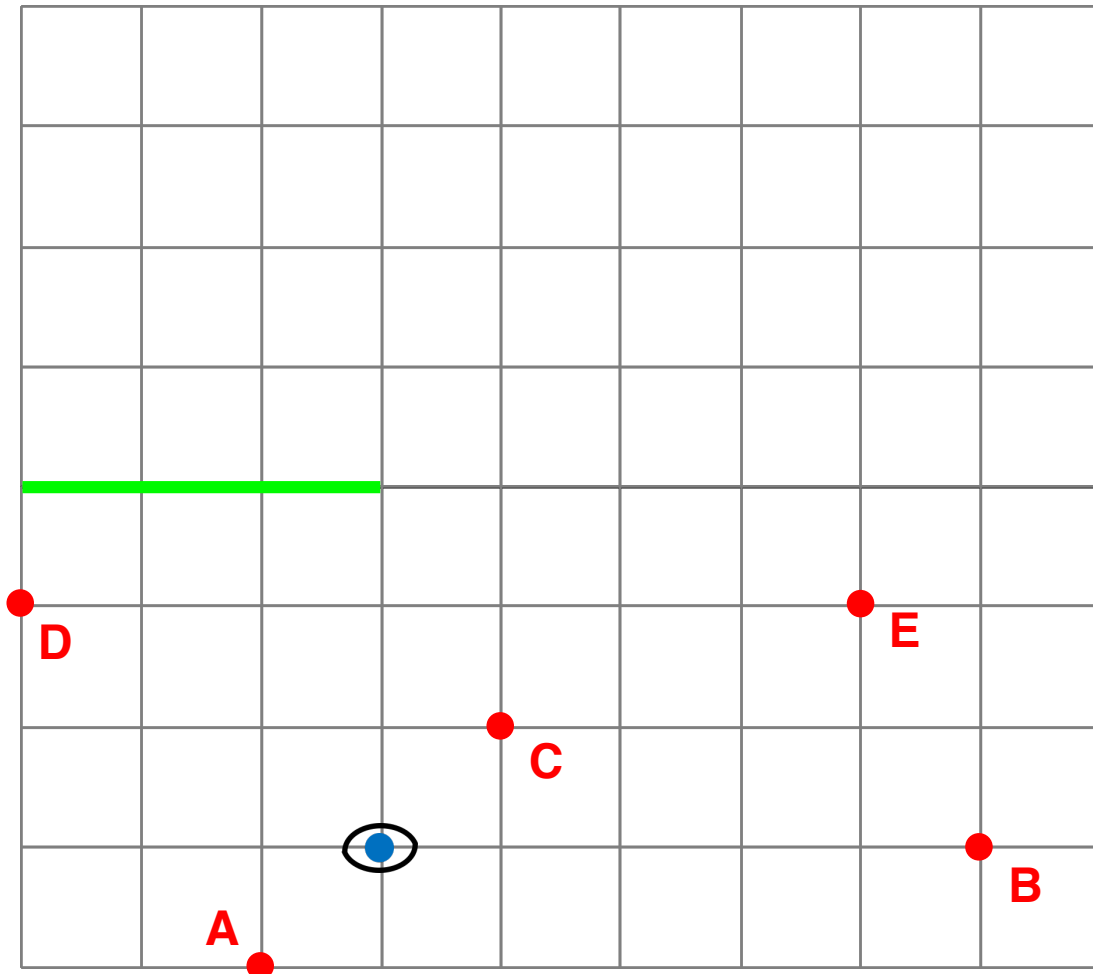

Question 25

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

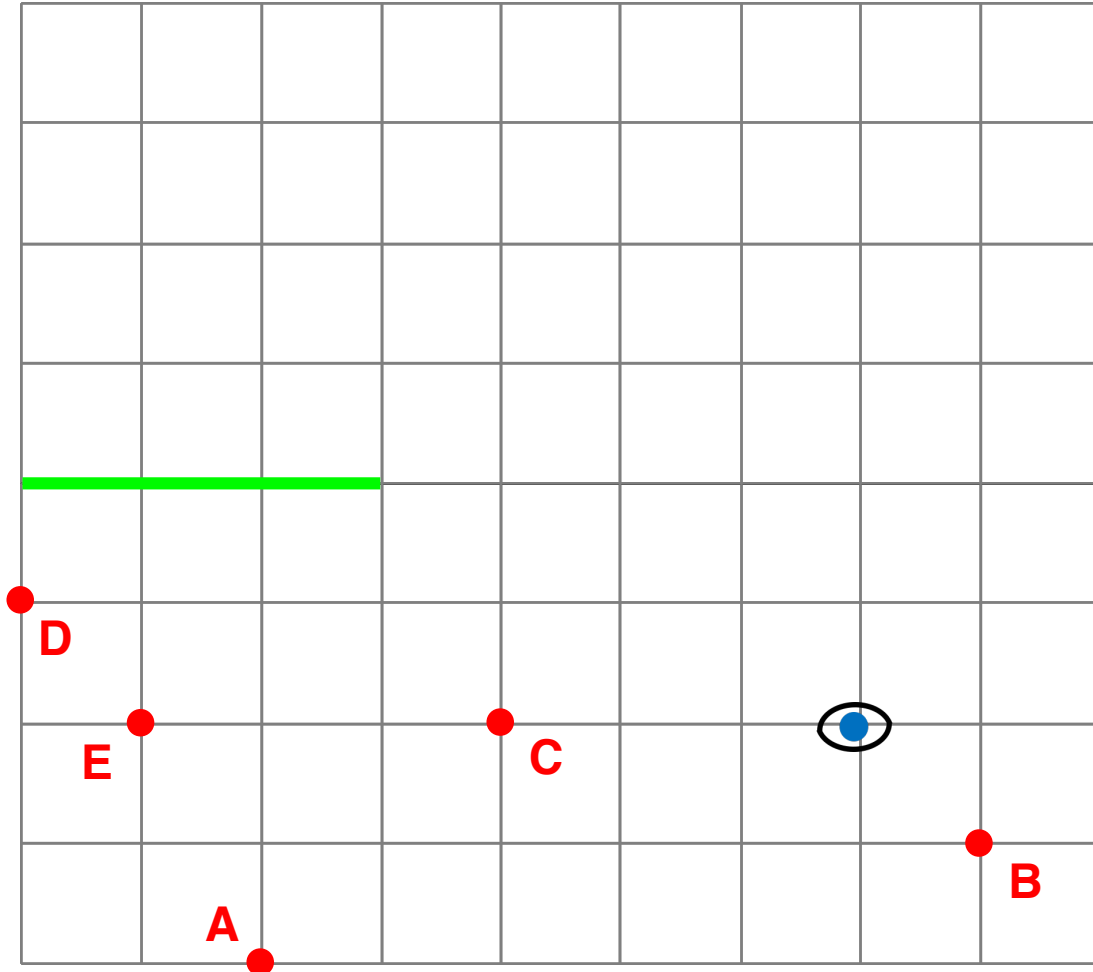

Question 26

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 27

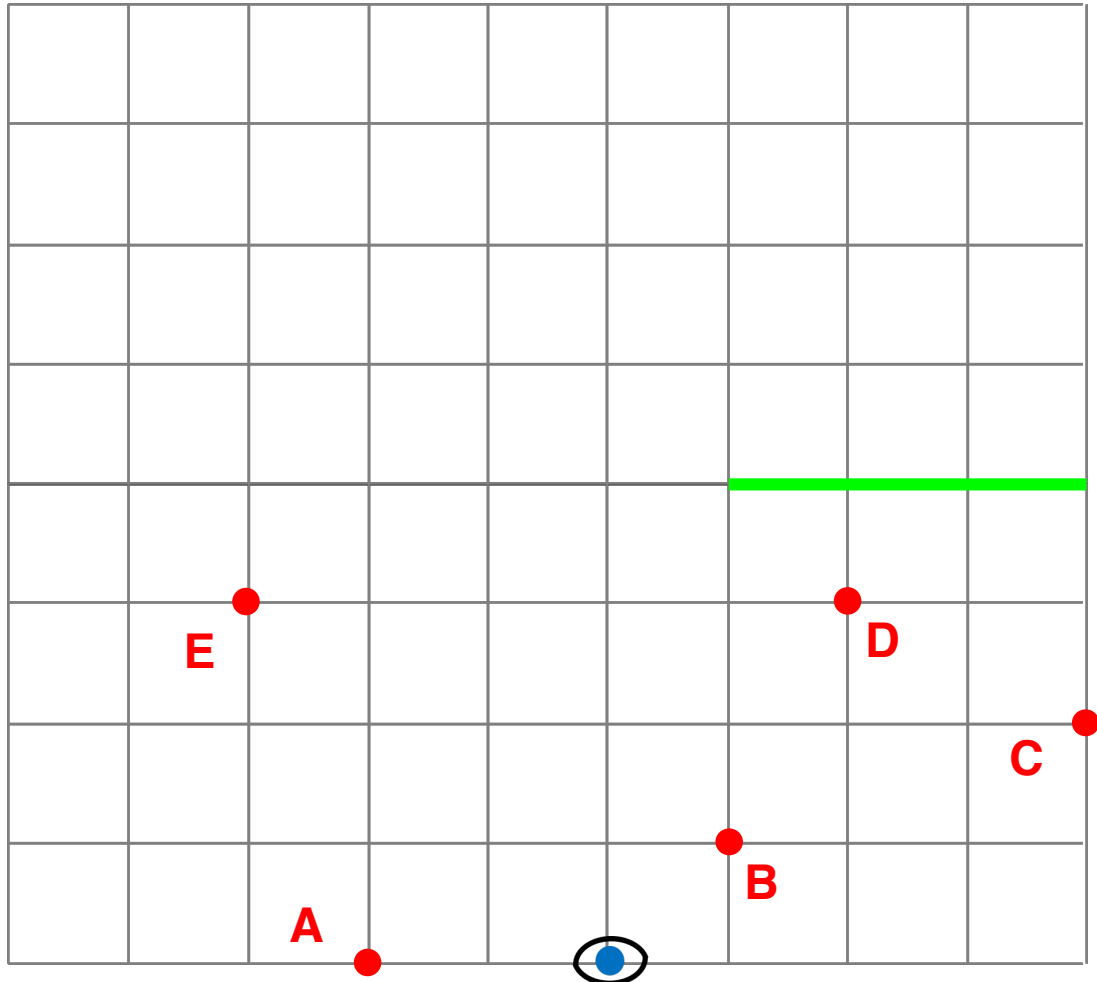

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 10

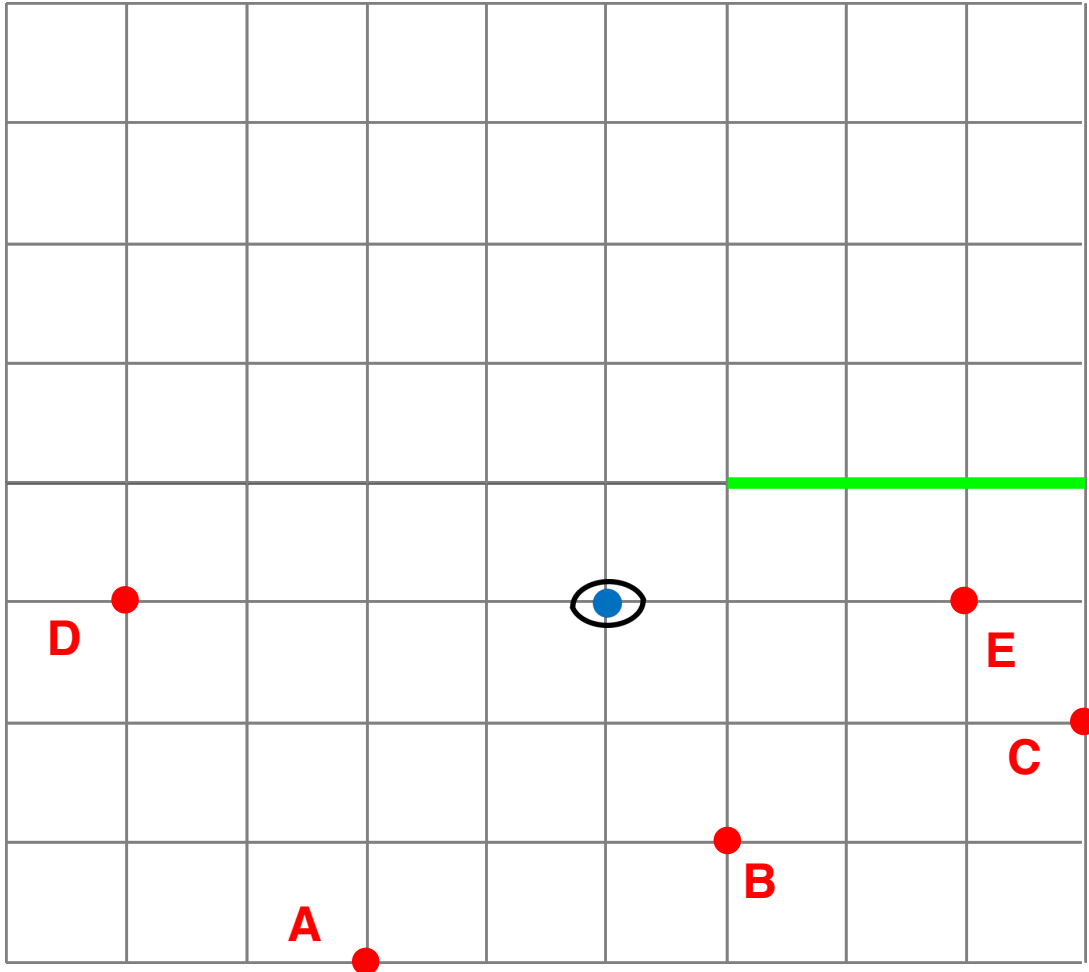

Question 28

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

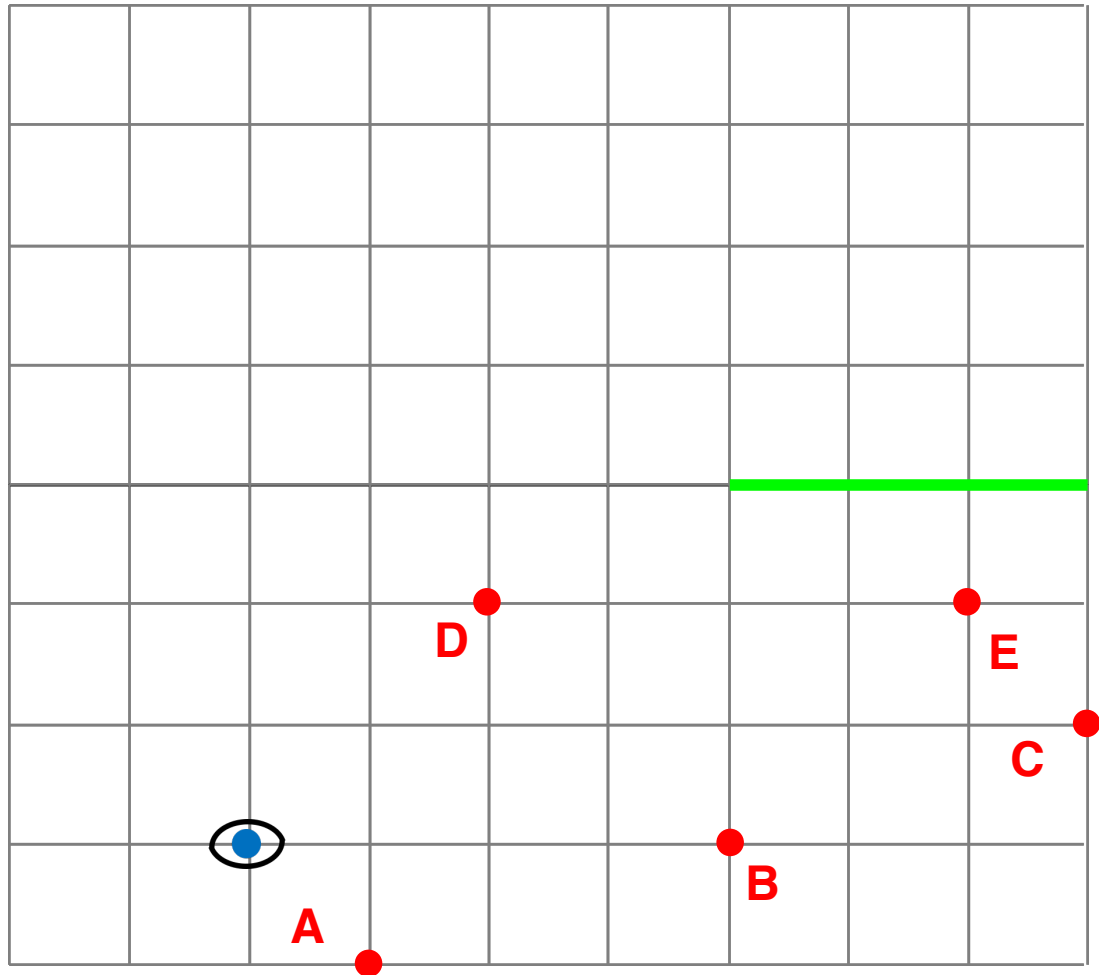

Question 29

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 30

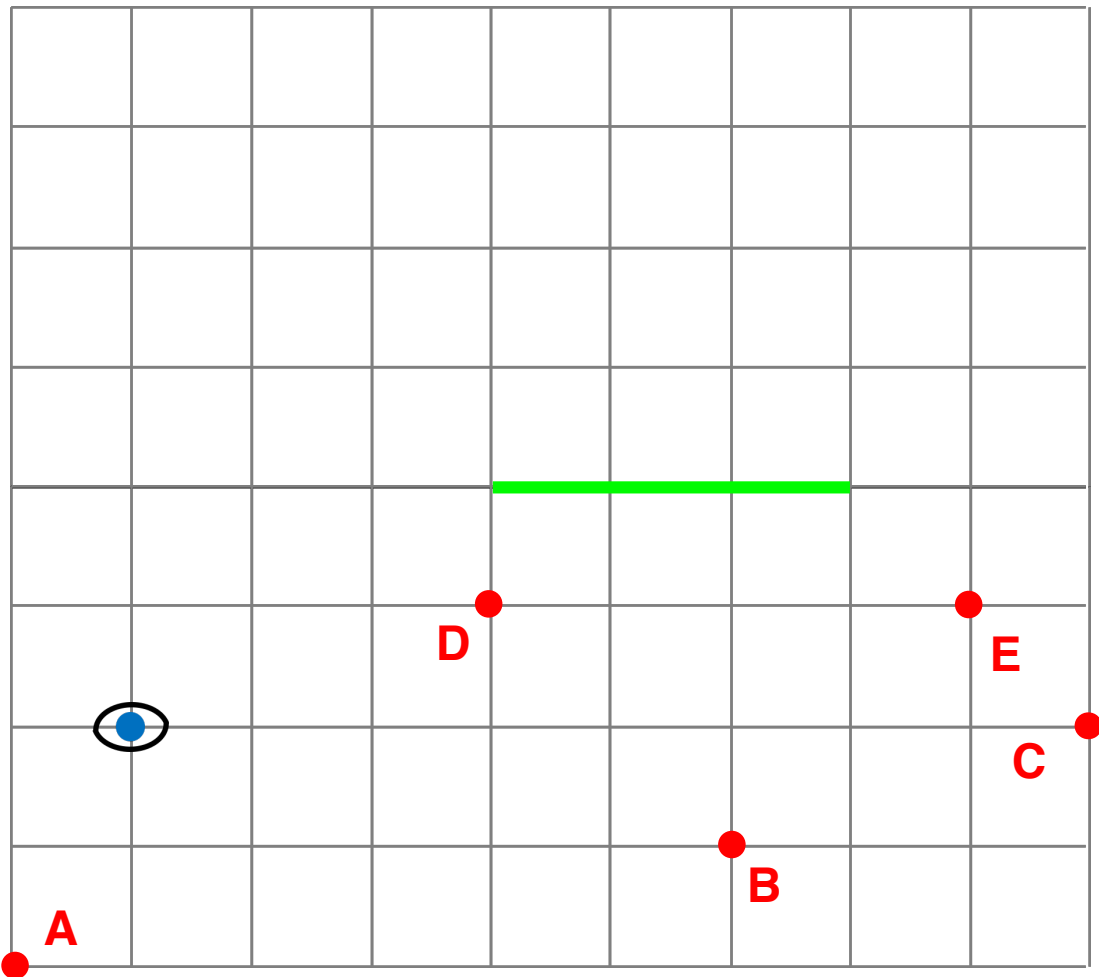

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 11

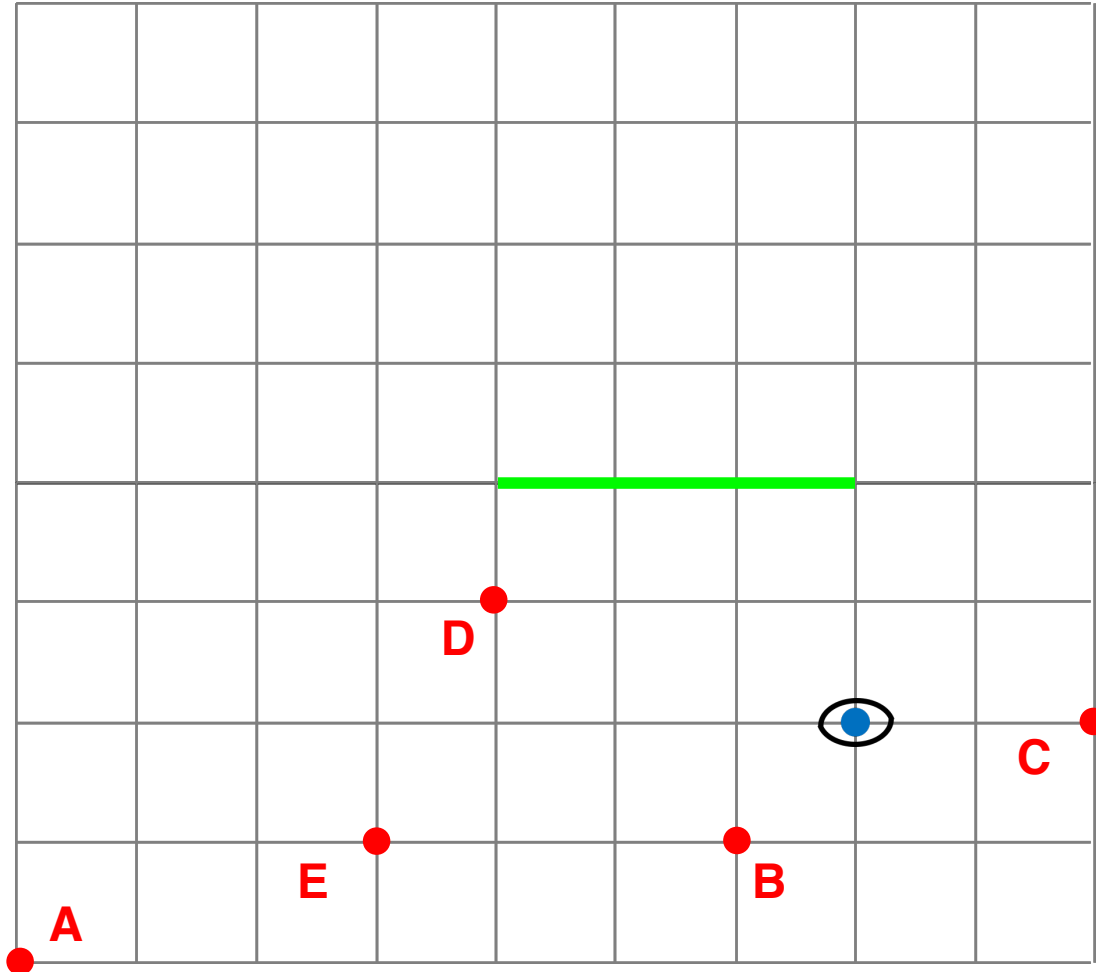

Question 31

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

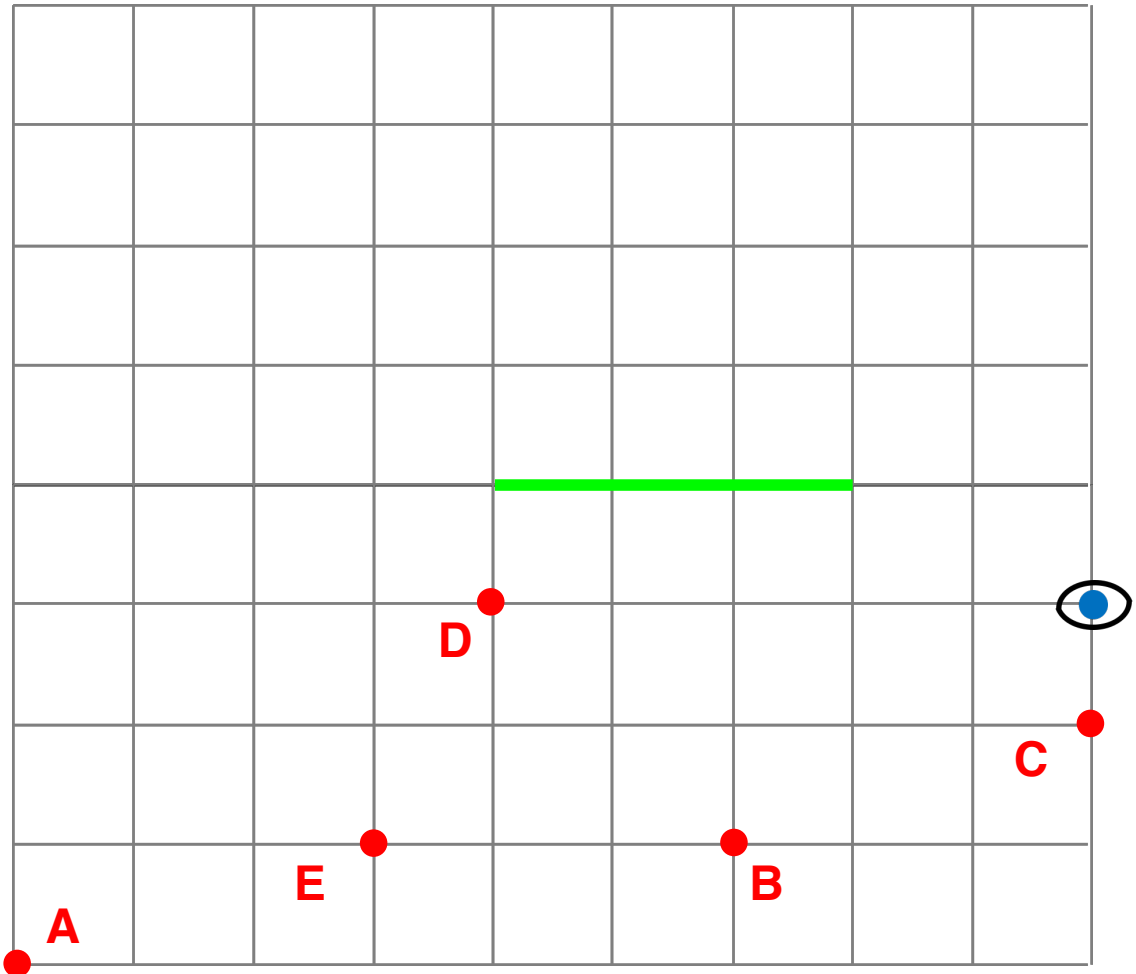

Question 32

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 33

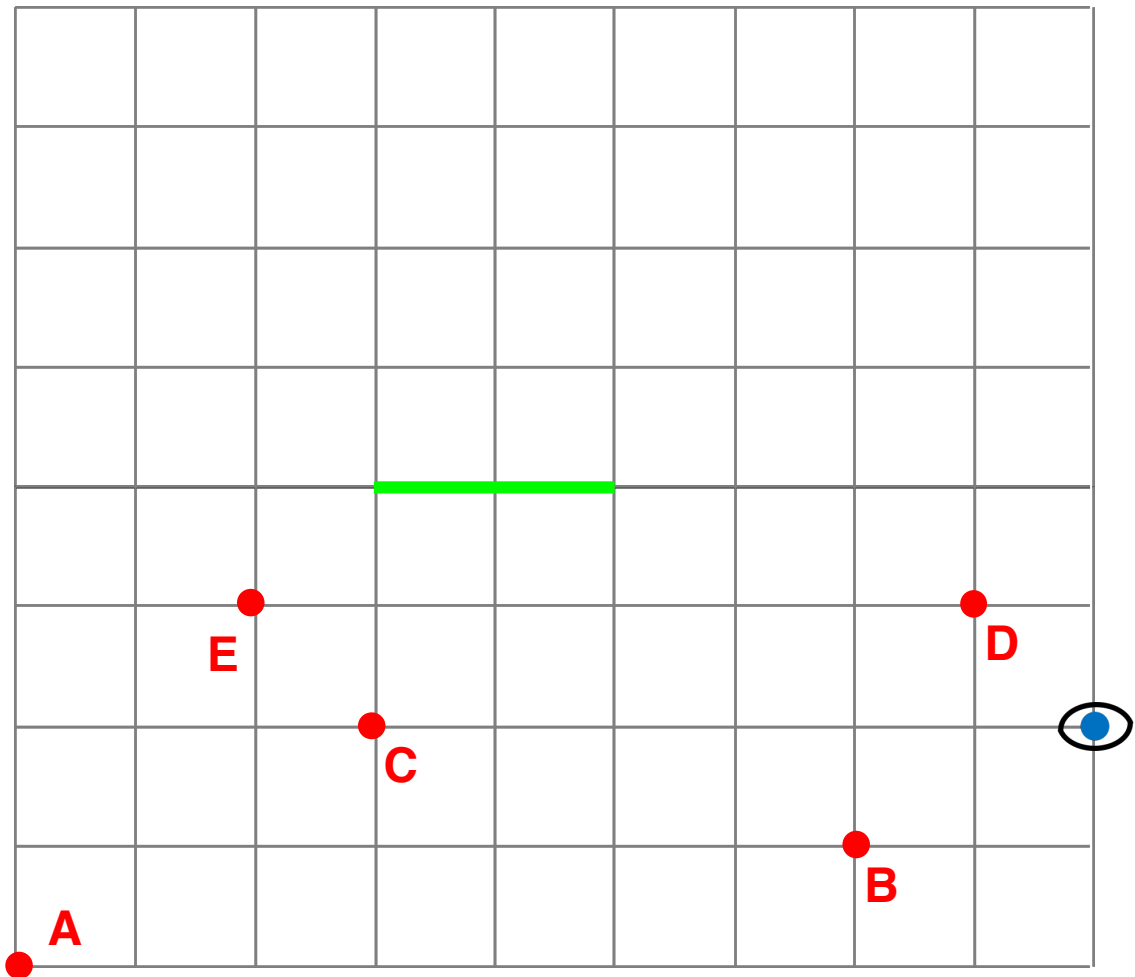

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question Group 12

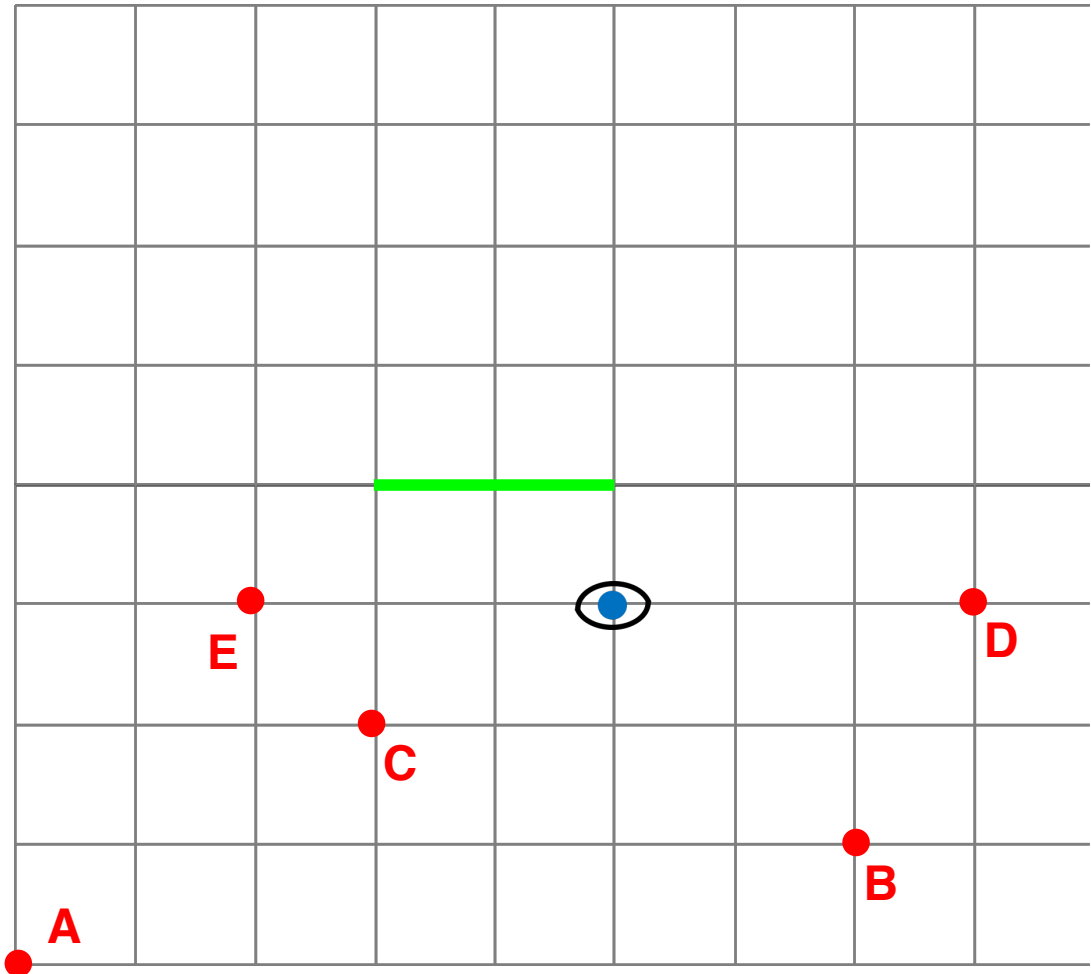

Question 34

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 35

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?

Question 36

Observe the 5 students - **A**, **B**, **C**, **D**, and **E** - and an **Eye** position. Which students can be seen in the mirror from the given eye position?
